and work in detail The book is a culmination of a decade of research during which author Jeremy Grimshaw gained rare access to the composer and his archives Loosely structured upon the chronology of the composer s career the book takes a multi disciplinary approach that combines biography musicology ethnomusicology and music analysis and illuminates such seemingly disparate aspects of Young s work as integral serialism and indeterminacy Mormon esoterica and Vedic mysticism and psychedelia and psychoacoustics Draw A Straight Line and Follow It is a long awaited in depth look at one of America s most fascinating musical figures
