**Elizabeth C. Axford**

## **Essential Elements 2000 For Strings 1 Violin Dvd:**

*The Instrumentalist*, 2006      **Texas Essential Elements 2000 for Strings** Hal Leonard Corporation, Michael Allen, 2004-03-01      **The Teaching of Instrumental Music** Richard J. Colwell, Michael P. Hewitt, 2017-10-12

The Teaching of Instrumental Music Fifth Edition introduces music education majors to basic instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary curricula. It focuses on the core competencies required for teacher certification in instrumental music with the pervasive philosophy to assist teachers as they develop an instrumental music program based on understanding and respecting all types of music. Parts I and II focus on essential issues for a successful instrumental program presenting first the history and foundations followed by effective strategies in administrative tasks and classroom teaching. Parts III, IV, and V are devoted to the skills and techniques of woodwind, brass, and percussion and string instruments. In all, *The Teaching of Instrumental Music* is the complete reference for the beginning instrumental teacher commonly retained in a student's professional library for its unique and comprehensive coverage.

**NEW TO THIS EDITION:** Revision and updating of curriculum developments such as coordinating State Department of Education student learning objectives with the recent Every Student Succeeds Act (ESSA). New discussion of the NAfME National Standards as they relate to the teaching of instrumental music. Revamping of rehearsing instrumental ensembles chapters including new or expanded sections on programming, choosing quality music, and applying successful rehearsal techniques. Updates on references plus new discussion questions and websites and internet links. A chapter devoted to classroom guitar. Updates on the use of technology for teaching and learning music. More on healthy performance practice, marching band, and jazz band. Online materials located in the eResources section on the Routledge website.

**Song Sheets to Software**  
Elizabeth C. Axford, 2009-03-26

The third edition of *Song Sheets to Software: A Guide to Print Music Software, Instructional Media, and Web Sites for Musicians* includes information on the history of printed music and publishing and copyright laws as well as completely revised and updated listings of music software and other instructional media web sites for musicians and technical terms. In addition, Elizabeth C. Axford provides new information on instructional DVDs, book and audio CD sets, and music software programs for teaching everything from children's music to high-end professional recording. The book is divided into 16 chapters by subject matter such as Music Appreciation, Guitar and Bass, Country, Folk and Traditional, and Vocal, Choral, Opera, and Musical Theater, offering both related software titles and web sites for each topic. New to the third edition is a CD-ROM supplying Live Links to the sites discussed as well as an expanded and easily searchable Tech Talk and sample print music scores. The third edition also includes sections on digital sheet music, digital online collections of historical sheet music, video game music, and an updated bibliography. These updates and revisions make this the most complete resource of its kind available.
