Bulletin of the Medford Public Library Medford Public Library (Medford, Mass.),1901 *Everyday Classics* Franklin Thomas Baker,Ashley Horace Thorndike,1922 The Everyday classics are a series of school readers basued upon a valid principle and a vital need The principle is that there is a considerable body of good literature which is simple enough to be understood and enjoyed by children It is of good value to read stories like these childhood to be retained as an influence upon one s on attitude towards life The need for such a series is seen in the fact that many children are put in touch with so little of this common heritage **The Complete Book of Everyday Christianity** R. Paul Stevens,Robert Banks,2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ SEVEN o Clock STORIES - 20 children's stories of everyday farm life Robert Gordon Anderson,2020-06-02 Herein are 20 illustrated stories by Robert Gordon Anderson with 20 full page colour illustrations by Dorothy Hope Smith Each of the 20 stories is presented in the form of a bedtime story ideal for reading

Cotham,2022-12-20 Drawing insights from a long career in the two professions of full time church pulpit ministry and various university professorships Perry Cotham invites us to understand ancient biblical themes in a refreshingly new and relevant way Some themes are deeply theological and biblical and others are highly practical Dr Cotham challenges our thinking even if readers may not agree with all his insights and conclusions **General Catalogue of Printed Books** British Museum.
