An Everyday History of Somewhere, Being the True Story of Indians, Deer, Homesteaders, Potatoes, Loggers, Trees, Fishermen, Salmon & Other Living Things in the Backwoods of Northern California Ray Raphael, 1980 **History of Somewhere** Ray Raphael, Mark Livingston, 1992-07-01 An everyday history of somewhere: being the true story of Indians, deer, homesteaders, potatoes, loggers, trees, fisherman, salmon, & other living things in the backwoods of An Everyday History of Somewhere, Being the True Story of Indians Ray Raphael, 1974 Northern California ,1974 An everyday history of somewhere: being the true story of Indians ... of Northern California Ray Raphael, 1974 Everyday History Alice Archer, 2020-01-28 If you woo win and walk away a second chance is going to cost you Headstrong Ruben Harper has yet to meet an obstacle he can t convert to a speed bump He s used to getting what he wants from girls but when he develops a fascination for a man his wooing skills require an upgrade After months of persuasion he scores a dinner date with Henry Normand that morphs into an intense weekend The unexpected depth of their connection scares Ruben into fleeing Shy cautious Henry Ruben's former high school history teacher suspects he needs a wake up call and Ruben appears to be his siren When Ruben bolts Henry is left struggling to find closure Inspired by his conversations with Ruben Henry begins to write articles about the memories stored in everyday objects The articles seduce Ruben even as Henry's snowballing fame takes him out of town and farther out of reach Everyday History a romance told with Alice Archer's unique style and lush prose was named a Top Book of 2016 in the HEA USA Today column Rainbow Trends Standalone Down by the Bay Matthew Booker, 2020-06-09 San Francisco Bay is the largest and most productive romance HEA estuary on the Pacific Coast of North America It is also home to the oldest and densest urban settlements in the American West Focusing on human inhabitation of the Bay since Ohlone times Down by the Bay reveals the ongoing role of nature in shaping that history From birds to oyster pirates from gold miners to farmers from salt ponds to ports this is the first history of the San Francisco Bay and Delta as both a human and natural landscape It offers invaluable context for current discussions over the best management and use of the Bay in the face of sea level rise **The Tanoak Tree** Frederica Bowcutt, 2015-05-15 Tanoak Notholithocarpus densiflorus is a resilient and common hardwood tree native to California and southwestern Oregon People's radically different perceptions of it have ranged from treasured food plant to cash crop to trash tree Having studied the patterns of tanoak use and abuse for nearly twenty years botanist Frederica Bowcutt uncovers a complex history of cultural sociopolitical and economic factors affecting the tree s fate Still valued by indigenous communities for its nutritious acorn nut the tree has also been a source of raw resources for a variety of industries since white settlement of western North America Despite ongoing protests tanoaks are now commonly killed with herbicides in industrial forests in favor of more commercially valuable coast redwood and Douglas fir As one nontoxic alternative many

foresters and communities promote locally controlled third party certified sustainable hardwood production using tanoak

which doesn't depend on clearcutting and herbicide use Today tanoaks are experiencing massive die offs due to sudden oak death an introduced disease Bowcutt examines the complex set of factors that set the stage for the tree s current ecological crisis The end of the book focuses on hopeful changes including reintroduction of low intensity burning to reduce conifer competition for tanoaks emerging disease resistance in some trees and new partnerships among tanoak defenders including botanists foresters Native Americans and plant pathologists Watch the book trailer https www youtube com watch v Contemporary Authors Julie Keppen, Lisa Kumar, 2004-09 Find biographical information on more than 115 000 modern novelists poets playwrights nonfiction writers journalists and scriptwriters Sketches typically include personal information addresses career history writings work in progress biographical and critical sources authors comments and informative essays about their lives and work A softcover cumulative index is published twice per year included in subscription History of Everyday Life in Medieval Scotland Edward J Cowan, 2011-06-06 This book examines the ordinary routine daily behaviour experiences and beliefs of people in Scotland from the earliest times to 1600 Its purpose is to discover the character of everyday life in Scotland over time and to do so where possible within a comparative context Its focus is on the mundane but at the same time it takes heed of the people's experience of wars famine environmental disaster and other major causes of disturbance and assesses the effects of longer term processes of change in religion politics and economic and social affairs In showing how the extraordinary impinged on the everyday the book draws on every possible kind of evidence including a diverse range of documentary sources artefactual environmental and archaeological material and the published work of many disciplines The authors explore the lives of all the people of Scotland and provide unique insights into how the experience of daily life varied across time according to rank class gender age religion Tames Michael Buckley, 2024 In City of Wood architectural historian James Buckley explores San Francisco s rapid urban development as a product of the physical and economic transformation of the natural environment of the American West San Francisco is best known as a product of the gold and silver that were mined from California's mountains and streams but as Buckley shows the city s growth was in fact fueled by a wide range of natural resources that could be converted into marketable commodities City of Wood investigates the architecture of a typical Western resource industry redwood lumber to determine how the exploitation of California s natural resources shaped the built environment of both San Francisco and its History of Everyday Life in Twentieth-Century Scotland Lynn Abrams, 2010-02-28 Over the broader hinterland twentieth century Scots lives changed infast dramatic and culturally significant ways By examining their bodies homes working lives rituals beliefs and consumption this volume exposeshow the very substance of everyday life was composed tracing both theintimate and the mass changes that the people endured Using novelperspectives and methods chapters range across the experiences of work artand death the way Scots conceived of themselves and their homes and theway the old Scotland of oppressive community rules broke down frommid century as the country reinvented its everyday life and culture

This volume brings together leading cultural historians of twentieth century Scotland to study the apparently mundane activities of people s lives traversing the key spaces where daily experience is composed to expose the controversial personal and national politics that ritual and practice cangenerate Key features Contains an overview of the material changes experienced by Scots in their everyday lives during the course of thecentury Focuses on some of the key areas of change in everyday experience from the way Scots spent their Sundays to the homes in which they lived from the work they undertook to the culture they consumed and eventually theway they died Pays particular attention to identity as well King Range National Conservation Area, 2004 The History of Everyday Life Alf Ludtke, 2018-11-20 Alltagsgeschichte or the history of everyday life emerged during the 1980s as the most interesting new field among West German historians and more recently their East German colleagues Partly in reaction to the modernization theory pervading West German social history in the 1970s practitioners of alltagsgeschichte stressed the complexities of popular experience paying particular attention for instance to the relationship of the German working class to Nazism Now the first English translation of a key volume of essays Alltagsgeschichte Zur Rekonstruktion historischer Erfahrungen und Lebensweisen presents this approach and shows how it cuts across the boundaries of established disciplines. The result is a work of great methodological theoretical and historiographical significance as well as a substantive contribution to German studies Introduced by Alf L dtke the volume includes two empirical essays one by Lutz Niethammer on life courses of East Germans after 1945 and one by L dtke on modes of accepting fascism among German workers The remaining five essays are theoretical Hans Medick writes on ethnological ways of knowledge as a challenge to social history Peter Sch ttler on mentalities ideologies and discourses and alltagsgeschichte Dorothee Wierling on gender relations and alltagsgeschichte Wolfgang Kaschuba on popular culture and workers culture as symbolic orders and Harald Dehne on the challenge alltagsgeschichte posed for Marxist Leninist historiography in East Germany Everyday Postsocialism in Eastern Europe Jill Massino, Markus Wien, 2024-09-15 The collapse of state socialism ushered in dramatic political and economic change producing new freedoms and opportunities but also new challenges and disappointments Focusing on laborers professionals youth women sexual minorities foreign students and emigrants Everyday Postsocialism in Eastern Europe explores these multifaceted changes and people s varied experiences of them The featured narratives complicate hegemonic representations of transformation revealing ruptures and continuities progress and reversals Highlighting the multi directionality of change over the last thirty years the book reappraises 1989 as an epochal event for all **African History through Sources: Volume 1, Colonial Contexts and Everyday Experiences, c.1850-1946** Nancy J. Jacobs, 2014-06-16 African History through Sources recounts the history of colonial Africa through more than 100 primary sources produced by a variety of actors ordinary men and women the educated elite and colonial officials Including official documents as well as interviews memoirs lyrics and photographs the book balances coverage of the state and economy with attention to daily life family life

and cultural change Entries are drawn from all around sub Saharan Africa and many have been translated into English for the first time Introductions to each source and chapter provide context and identify themes African History through Sources allows readers to analyze change understand perspectives and imagine everyday life during an extraordinary time *Crisis and the Everyday in Postsocialist Moscow* Olga Shevchenko,2008-12-17 In this ethnography of postsocialist Moscow in the late 1990s Olga Shevchenko draws on interviews with a cross section of Muscovites to describe how people made sense of the acute uncertainties of everyday life and the new identities and competencies that emerged in response to these challenges Ranging from consumption to daily rhetoric and from urban geography to health care this study illuminates the relationship between crisis and normality and adds a new dimension to the debates about postsocialist culture and politics

Everyday Phenomenology Derek Mitchell, 2012-11-30 No one who reads this book will ever see the world the same again Derek Mitchell's aim is to pursue phenomenology and therefore appearances obliquely in a number of areas Predominantly these are the appearances of houses landscapes places people and history but these specific studies coalesce into a more general theory about appearances place and time and thereby provide a phenomenology of the everyday In this pursuit the author brings together works of philosophy literature history and art in order to circumvent the apparent paradox of the ubiquity and inaccessibility of the everyday This makes the work wide ranging and extensive but by the end a delicate coherence and unity emerges from allowing the coming together of these different avenues of approach to appearances Philosophically speaking the author's guides through all of this are Martin Heidegger Hans Georg Gadamer and Gaston Bachelard with assistance notably from Descartes Hume Kant Hegel and Sartre although Mitchell endeavours to add some insights of his own as the book progresses Other significant contributions come from the works of W G Sebald Dennis Severs Rainer Maria Rilke Irene Nemirovsky the writing of David Hockney and some Dutch artists Everyday Objects: Or, Picturesque Aspects of Natural History ...
