Everyday Religion:

Everyday Religion Nancy T. Ammerman, 2007 Social scientists sometimes seem not to know what to do with religion In the first century of sociology's history as a discipline the reigning concern was explaining the emergence of the modern world and that brought with it an expectation that religion would simply fade from the scene as societies became diverse complex and enlightened As the century approached its end however a variety of global phenomena remained dramatically unexplained by these theories Among the leading contenders for explanatory power to emerge at this time were rational choice theories of religious behavior Researchers who have spent time in the field observing religious groups and interviewing practitioners however have questioned the sufficiency of these market models Studies abound that describe thriving religious phenomena that fit neither the old secularization paradigm nor the equations predicting vitality only among organizational entrepreneurs with strict orthodoxies In this collection of previously unpublished essays scholars who have been immersed in field research in a wide variety of settings draw on those observations from the field to begin to develop more helpful ways to study religion in modern lives The authors examine how religion functions on the ground in a pluralistic society how it is experienced by individuals and how it is expressed in social institutions Taken as a whole these essays point to a new approach to the study of religion one that emphasizes individual experience and social context over strict categorization and data collection

Lived Religion Meredith B McGuire, 2008-08-22 How can we grasp the complex religious lives of individuals such as Peter an ordained Protestant minister who has little attachment to any church but centers his highly committed religious practice on peace and justice activism Or Hannah a devout Jew whose rich spiritual life revolves around her women's spirituality group and the daily practice of meditative dance Or Laura who identifies as Catholic but rarely attends Mass and engages daily in Buddhist style meditation at her home altar arranged with symbols of Mexican American popular religion Diverse religious practices such as these have long baffled scholars whose research often starts with the assumption that individuals commit or refuse to commit to an entire institutionally framed package of beliefs and practices Meredith McGuire points the way forward toward a new way of understanding religion She argues that scholars must study religion not as it is defined by religious organizations but as it is actually lived in people's everyday lives Drawing on her own extensive fieldwork as well as recent work by others McGuire explores the many seemingly mundane ways that individuals practice their religions and develop their spiritual lives By examining the many eclectic and creative practices of body mind emotion and spirit that have been invisible to researchers she offers a fuller and more nuanced understanding of contemporary religion

Everyday Religion James Edward Freeman, 1920 Everyday Religion Hadley Kruczek-Aaron, 2015-08-11 In the early nineteenth century antebellum America witnessed a Second Great Awakening led by evangelical Protestants who gathered in revivals and contributed to the blossoming of social movements throughout the country Preachers and reformers promoted a Christian lifestyle and evangelical fervor overtook entire communities One such

community in Smithfield New York led by activist Gerrit Smith is the focus of Hadley Kruczek Aaron's study Political Religion, Everyday Religion: Sociological Trends Pål Repstad, 2019-04-09 As the title suggests Political Religion Everyday Religion Sociological Trends reflects upon two important trends that have recently emerged in the sociology of religion Firstly there is an increasing interest in the interplay between religion and politics Religion has moved from being almost ignored by sociologists to being acknowledged some would even say overrated as an important political factor Secondly ordinary people's everyday religion has likewise become an important topic for many researchers In this book James Beckford Inger Furseth and other prominent scholars present critical discussions and empirical studies of both political and everyday religion and the editor Pål Repstad shows how these two trends should enter into a closer dialogue The book is essential for both students and experienced researchers in the sociology of religion Contributors are James A Beckford Inger Furseth Kristina Grundetjern Jan Olav Henriksen Ida Marie Heg Nils Martinus Justvik Bjarte Leer Helgesen Paul Leer Salvesen Anne L. vland Tomas Rasmussen Pål Repstad Tale Steen Johnsen and Irene Trysnes

Religion and the Everyday Life of Manichaeans in Kellis Mattias Brand, 2022-05-20 Published in Open Access with the support of the Swiss National Science Foundation Winner of the Manfred Lautenschlager Award Religion is never simply there In Religion and the Everyday Life of Manichaeans in Kellis Mattias Brand shows where and when ordinary individuals and families in Egypt practiced a Manichaean way of life Rather than portraying this ancient religion as a well structured totalizing community the fourth century papyri sketch a dynamic image of lived religious practice with all the contradictions fuzzy boundaries and limitations of everyday life Following these microhistorical insights this book demonstrates how family life gift giving death rituals communal gatherings and book writing are connected to our larger academic debates about religious change in late antiquity

Religion, Spirituality and Everyday Practice Giuseppe Giordan, William H. Swatos, Jr., 2011-08-14 The current generation of young adults at least in the Western world has shown a marked tendency toward a preference for describing themselves as spiritual as contrasted to religious This book seeks to examine the possible meanings and consequences associated with this contrast in terms of the similarities and differences that affect those who use these terms with respect to the everyday practices that they themselves employ or believe should follow from being self defined as religious or spiritual or not The several chapters in this volume take up the religious spiritual contrast specifically through investigations into practice In what ways do people who claim to be religious or spiritual define these self images as manifest in their own lives How on a daily basis does a person who considers himself or herself religious or spiritual live out that self image in specific ways that she or he can describe to others even if not share with others Are there ways that being spiritual can involve religion or ways that being religious can involve spirituality and if so how do these differ from concepts in prior eras e.g. Ignatian spirituality Orthodox spirituality Anglican spirituality etc We also explore if there are institutions of spiritual practice to which those who term themselves spiritual turn or if the difference implied by these terms may instead be

between institutionalized and de institutionalized expressions of practice including but not limited to self spiritualities

Everyday Faith Terry Pluto, 2012-05 Award winning sports columnist Terry Pluto has another beat Faith Thousands of loyal readers regularly turn to his other column for a regular dose of down to earth spiritual inspiration This book collects dozens of his popular essays about ethical and moral issues we all face in everyday life Like getting along with our siblings Setting a better example for our children Listening better to our spouses How money makes us do silly things The lure of gossip Feeling lonely Giving in to anger How we feel when our prayers go unanswered Pluto writes from a very personal perspective as when he discusses the vanity of his own approach to baldness or reveals white lies he has used to make himself feel better or describes the temptation to tell off his boss at work This honestly humble approach to finding the spiritual in the ordinary gives Pluto s writing broad appeal I don t care if you are a Jew a Christian a Muslim or a skeptic there is a spiritual thirst in most of us Pluto says I try to write about God and us and what that means for our lives For a sportswriter who never thought he d write about faith Pluto has brought a great deal of meaning to the lives of his readers This collection will serve as a great way for Pluto fans to revisit the many inspirations found in his writing and to share them with a new audience

Everyday Lived Islam in Europe Nathal M. Dessing, Nadia Jeldtoft, Linda Woodhead, 2016-04-22 This book offers a new direction for the study of contemporary Islam by focusing on what being Muslim means in people s everyday lives It complements existing studies by focusing not on mosque going activist Muslims but on how people live out their faith in schools workplaces and homes and in dealing with problems of health wellbeing and relationships As well as offering fresh empirical studies of everyday lived Islam the book offers a new approach which calls for the study of official religion and everyday tactical religion in relation to one another It discusses what this involves the methods it requires and how it relates to existing work in Islamic Studies

Everyday Youth Cultures in the Gulf Peninsula Emanuela Buscemi, Ildiko Kaposi, 2020-11-29 Focusing on the struggles of

youth in the Arabian Gulf to find their place in their encounters with modernity *Everyday Youth Cultures in the Gulf Peninsula* explores how global forces are reshaping everyday cultural experiences in authoritarian societies A deeper understanding of Gulf youth emerges from reading about the everyday lives and struggles opportunities and contributions of youth who in the process of developing their personal identities are also incrementally transforming their societies and cultures Based on ethnographic fieldwork in Kuwait Oman Saudi Arabia the UAE and Qatar the chapters bring fresh insight into Gulf youth microcultures from the ground and invite dialogue by engaging young local and foreign academics in the discussion In light of the general difficulties of accessing Gulf societies the book's nuanced richly detailed depictions of everyday life can be of interest to academic research in Middle East studies youth sociology political science and anthropology as well as to business and governmental decision making

Resisting Theologies and the Everyday Wren Radford, 2025-06-26 This powerful volume provides dynamic ways of constructing theologies of resistance and liberation by engaging with the everyday practices of marginalised communities In doing so this collection of theological experts reject abstracted concepts of codes and taxonomies of race gender sexuality and disability Readers will find this a dynamic book with a variety of approaches that provide ways of constructing theologies of resistance and liberation Experiences of marginalisation have provided a powerful reference point for developing theologies of justice and liberation however theological and political frameworks often reduce the complexity of lived experiences into categories and themes Daily practices of resisting and surviving are frequently considered too fleshy domestic or banal to be of theological meaning Therefore Radford and their coterie of academics draw on understandings of the everyday in feminist womanist Latinx and decolonial theologies as well as in cultural theory This allows critical reflection on how theological approaches can shape alternative relations to self society and the sacred In recognising the lived and felt realities of struggling against oppressive colonial and racialised systems contributors engage with academic and activist debates about the possibilities of remaking social relations and creating other ways of knowing and being From Black theology to disabled activists on social media to queer clergy in South Africa this volume holds together differences in contributors approaches modelling the view that there is not just one form of resistance nor a single approach to constructing theology

Everyday Life Practices of Muslims in Europe Erkan Toğuşlu, 2015-08-18 Muslims in Europe and the preservation of their religious ethnic particularities *Everyday Life Practices of Muslims in Europe* explores how Muslims give meaning to Islam on a day to day basis The contributions look at concrete practices identities memories and normalities in daily Muslim life and provide insights to the complexities of identities They examine Muslims use of and construction of spaces daily

practices forms of interaction and modes of thinking in different areas resulting in a thorough analysis and framework of Muslims day to day life through topical chapters on food space entertainment marriage and mosque covering both extent of hybridity and preservation of religious ethnic particularities Contributors Rachel Brown Wilfrid Laurier University Mohammed El Bachouti UPF Valentina Fedele Universit della Calabria Diletta Guidi cole Pratique des Hautes tudes Ossame Hegazy Bauhaus University Weimar Ajmal Hussain Aston University Jana Jevtic Central European University Elsa Mescoli University of Li ge Wim Peumans KU Leuven Sumeyye Ulu Sameto lu EHESS Leen Sterck The Netherlands Institute for Social Research Thijl Sunier VU University Amsterdam Erkan To u lu KU Leuven *Christianity as Distinct Practices*

Jan-Olav Henriksen,2019-01-10 Jan Olav Henriksen reconstructs and analyzes Christianity as a cluster of practices that manifest a distinct historically and contextually shaped mode of being in the world Henriksen suggests that these practices imply a complicated relationship between the tradition in which they originate the community that emerges from and is constituted by that tradition and the individuals who appropriate the tradition that these communities mediate through their practices Thus to think of Christianity simply in terms of belief is misleading and represents an underdetermination of its distinct character Henriksen further argues this relationship needs to be described primarily as practices aimed at orientation and transformation His analysis points to Christianity s similarity to other religions in regard to the functional or pragmatic dimensions it displays Examining facets such as prayer the use of scripture preaching and doctrine Henriksen emphasizes that the element that makes a practice distinctively Christian is how it relates to and is informed by the Jesus story

Malaysian Christians Online Meng Yoe Tan,2020-02-26 Many facets of social life are now intrinsically linked to the Internet through increasing dependence of user centric platforms like blogs social networking websites online forums and open source websites The Malaysian Church is not exempt from having to negotiate with an increasingly tech savvy and networked community of believers Based primarily on Internet ethnography and interviews with Christian bloggers and church pastors this book looks at how the Internet is a component of everyday religion in the lives of Malaysian Christians at individual institutional and national levels It examines the ways in which online Christian expressions are increasingly integrated into the everyday religious routines of Christians for the development of their personal identities and inter religious interactions This book also shows how the spiritual authority of church pastors can be both challenged and reinforced through the creative use of online tools It addresses some of the creative ways in which Christians utilise the Internet to engage with national socio political issues within the context of restrictive and controlled mainstream media as well as the ongoing discourse with Islam in the country Through a selection of case studies this book shows that while the Internet may be free the users of the Internet are not necessarily so While the Internet has provided Malaysian Christians with new tools to experience their faith in new ways several aspects of old offline socio cultural habits persist online These in turn lead to a robust and growing environment of Internet Christianity in Malaysia This timely book will be of interest to

scholars in religious studies media and communications and cultural studies in Southeast Asia **International Handbook of Practical Theology** Birgit Weyel, Wilhelm Gräb, Emmanuel Lartey, Cas Wepener, 2022-09-06 Practical theology has outgrown its traditional pastoral paradigm The articles in this handbook recognize that faith spirituality and lived religion within and beyond institutional communities refer to realms of cultures ritual practices and symbolic orders whose boundaries are not clearly defined and whose contents are shifting The International Handbook of Practical Theology offers insightful transcultural conceptions of religion and religious matters gathered from various cultures and traditions of faith The first section presents concepts of religion Chapters have to do with considerations of the conceptualizing of religion in the fields of anthropology community family institution law media and politics among others The second section is dedicated to case studies of religious practices from the perspective of their actors The third section presents major theoretical discourses that explore the globally significant diversity and multiplicity of religion Altogether sixty one authors from different parts of the world encourage a rethinking of religious practice in an expanded transcultural globalized and postcolonial world **Faith in the family** Alana Harris, 2015-11-01 Drawing upon a multi disciplinary methodology employing diverse written sources material practices and vivid life histories Faith in the family seeks to assess the impact of the Second Vatican Council on the ordinary believer alongside contemporaneous shifts in British society relating to social mobility the sixties sexual morality and secularisation Chapters examine the changes in the Roman Catholic liturgy and Christology devotion to Mary the rosary and the place of women in the family and church as well as the enduring but shifting popularity of Saints Bernadette and Th r se Appealing to students of modern British gender and cultural history as well as a general readership interested in religious life in Britain in the second half of the twentieth century Faith in the family illustrates that despite unmistakable differences in their cultural accoutrements and interpretations of Catholicism English Catholics continued to identify with and practise the Faith of Our Fathers before and after Vatican II
