

KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means
everyone under
the age of 18.

Children need the
right help at the right
time to address risks

Remember 'it could happen
here' where safeguarding
is concerned.

We are all responsible for
the welfare of children and
keeping the environment
safe, whatever our job.

What is safeguarding?

Safeguarding and promoting the welfare of children is defined as: protecting children from maltreatment; preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.

What do I need to do?

ALWAYS ACT

In the best interests
of the child. Never
promise confidentiality.

KNOW HOW

to identify children
who may benefit
from early help.

KNOW THE DIFFERENT

types of abuse and neglect, so
that you can identify children who
may be in need of help or protection.

Know what to do if a child
tells you they are being
abused or neglected.

Know who the Designated
Safeguarding Lead is and talk
to them as soon as you are
concerned.

Everyone must read:
Keeping Children Safe in
Education Part One and Annex A,
Child Protection policy
Staff behaviour policy

Any staff member can
make a referral to children's
social care, but they should
inform the designated
safeguarding lead as soon
as possible.

If a teacher feels
Female Genital Mutilation
appears to have been
carried out on a girl under
the age of 18, the teacher
must report this to the police.

All concerns, discussions
and decisions made and
the reasons for those
decisions should be
recorded in writing.

Staff Behaviour

If you are concerned about the behaviour
of any staff member, you should speak to
the headteacher. Concerns about the
headteacher should be referred to the
Chair of Governors.

Whistleblowing

If you're worried about poor or unsafe safeguarding
practices, or potential failures in the school, talk to the
Designated Safeguarding Lead, any senior leader, or the
Chair of Governors. If you feel unable to talk someone in
school, you can call the NSPCC whistleblowing helpline
on 0800 028 0285 or email: help@nspcc.org.uk.
