Everyman a Bible Student J. E. Church, 1938 *Every Man a Bible Student* John Edward Church, 1977-01-01

Genesis- Everyman's Bible Commentary Howard Vos, 1999-08-09 Most of us are vitally interested in answers to the big questions of life Where did we come from Why are we here What is the nature of man How did we get here What is our future We consider any literature that deals with these questions relevant and timely Preeminent among literature about the big questions of life is the book of Genesis Genesis is known as the book of beginnings the book of firsts It tells of the beginning of the world by creation the beginning of mankind the beginning of sin in the race the beginning of salvation Dr Vos examines those and other beginnings in the book of Genesis He explores the stories in this book offering insightful and helpful comments and explanations that will aid you in comprehending the message and scope of Genesis As a book of beginnings Genesis is the seed plot and springboard for the concepts and history of the rest of the Old Testament Through this commentary you will have a basis for understanding history as it unfolds in the other Bible books Survey of the New Testament- Everyman's Bible Commentary Paul Benware, 2001-11-01 The New Testament is worthy of a lifetime of study as it answers the most significant questions people have asked says Paul Benware What is the purpose of life Is there any real hope What is God like Can I be freed from guilt and sin Jesus Christ is the only answer to those questions He is the key to God's New Covenant the central theme of the New Testament In order to fully appreciate the New Covenant you must explore the lives and times of Christ and the New Testament writers Survey of the New Testament organizes this essential information around the anticipation institution and fulfillment of the New Covenant Dr Benware along with his book by book study of the 27 New Testament books includes a chronological study of the life of Christ a look at political forces and ideologies of the first century Roman world and a glimpse into the inter testamental period To clarify the order and pattern of the New Testament Dr Benware links each epistle to its historical base the book of Acts Thirty helpful charts have been included as well **Survey of the Old Testament- Everyman's Bible Commentary** Paul Benware, 2001-11-01 The New Testament Scriptures will never be properly understood by a person if the Old Testament Scriptures essentially remain a mystery to him says Paul Benware Most Christians do not have a clear understanding of the pattern unity or progression of the Old Testament They can tell stories of Moses Noah and David but aren't sure how all these events fit together And they don't fully appreciate the doctrines found in the thirty nine books between Genesis and Malachi But the Old Testament does not have to be mysterious or confusing Newly revised Dr Benware offers a chronological approach to give you a bird's eye view of the historic value of the Old Testament while his book by book analysis reveals important details and emphases If you want a better understanding of the whole Bible Survey of the Old Testament is the place to start **Jude- Everyman's Bible Commentary** S Maxwell Coder, 1967-06-01 Rich in content and replete with warnings concerning the last days this epistle of only twenty five verses has often been neglected by students of God's Word Jude The Acts of the Apostles is a

scholarly practical exposition of this short but important New Testament book The early development of a logical structural outline brings out Jude s inherent organization and progression of thought Frequent reference is made to other outstanding commentaries and difficult passages are clearly discussed Jude The Acts of the Apostles is a versatile commentary worthy of study by either the well trained pastor or the inquiring layman **Proverbs- Everyman's Bible Commentary** Irving

Jensen,1982-10-06 To think that the same God who spoke worlds into being who wrought redemption when man had fallen who shall bring in a new heaven and a new earth should stoop to give instruction for the very details of His creatures lives The Proverbs are as important as they are practical You are likely acquainted with the Proverbs but Irving L Jensen will help you study the entire text In this popular level commentary the well known Dr Jensen places the book of Proverbs in its historical setting and background and traces its development through exposition and accompanying charts *Judges & Ruth- Everyman's Bible Commentary* Arthur Lewis,1979-06-01

The book of Judges presents a miniature of the human race its ups and downs its triumphs and its tragedies It also presents a history of God s sovereign intervention in the affairs of men Yet within that same environment of human failure and rebellion there is the book of Ruth a portrait of the coming Kinsman Redeemer showing God s message of redemption and love This Everyman s Bible Commentary is based upon the scriptural text as found in the New American Standard Bible **Second Timothy- Everyman's Bible Commentary** D Edmond

Hiebert,1959-06-01 A reliable guide to Paul s last letter is provided by D Edmond Hiebert in this concise interpretation of 2 Timothy The verse by verse exposition offers a systematic explanation of the entire book A comprehensive outline accurately follows the progression of Paul s thought giving a quick overall view of the contents Second Timothy is the most personal of the Pastoral Epistles It was written shortly before Paul s martyrdom and contains intimate words of lasting significance The apostle s special concern for both Timothy and the people he served is laid bare in this touching letter of instruction and encouragement Second Timothy is characterized by clear expression and a penetrating analysis of this epistle written to a son in the faith The outline is designed as a chart and guide to the meaning of the epistle and is interspersed in the interpretative text Technical matters have been kept to a minimum but discussion of the Greek is included where such commentary is needed *Job- Everyman's Bible Commentary* Roy Zuck,1978-06-01

Unfathomable loss Unmerited suffering Why is this happening to me For centuries people have tried to understand the reasons for suffering and grief When we cannot connect our woes to wrongs we have done we conclude that our suffering is undeserved and unfair Like Job we struggle to understand our pain The universality of suffering makes the book of Job appealing but the treatment of that theme often makes the book difficult to comprehend Nonetheless this section of Scripture offers powerful lessons for your life Dr Roy Zuck directs his commentary toward the layman His clear organized insights can reveal important truths for the struggling Christian The uncomplicated outlined content is suitable for both individual and group study You can learn from Job s suffering as well as from your own *Galatians- Everyman's Bible Commentary* Howard Vos,1970-06-01 Freedom a

concept which is often misunderstood today actually involves a great deal of responsibility love for others and burden bearing In this letter to the Galatian churches the apostle Paul spoke out on Christian liberty and freedom In this commentary the author captures the emotion of a concerned apostle as he invites enslaved Christians to renounce a legalistic pattern of living and return to the liberty found in the life of faith Matters of introduction and each of the epistle s subjects receive thorough attention Discussions of the meanings tenses and uses of the original Greek text of the epistle make this New Testament masterpiece come alive for the citizen of the twenty first century Scholarly but easily understood this commentary will help the reader discover and enjoy genuine freedom *Jeremiah & Lamentations- Everyman's Bible Commentary* Irving L.

Jensen,1966-06-01 Jeremiah previously published as a separate volume has been combined with Lamentations to provide a carefully organized exposition that reconstructs the historical and cultural backgrounds as well as the vital message of the two Old Testament books Jeremiah is a penetrating analysis of a significant prophetic book regarded as especially relevant to modern times Lamentations is an appropriate companion to this book for it looks back to the event that Jeremiah anticipated the fall of Jerusalem and describes in stunningly evocative language the grief that Israel experienced Using a paragraph by paragraph method of analysis Dr Jensen explores major units of thought in these biblical books He effectively uses charts maps and informative footnotes to aid the reader s understanding **Habakkuk & Zephaniah- Everyman's Bible**

Commentary Cyril Barber,1985-03-08 Viewed against the backdrop of Assyrian supremacy the Scythian invasion and independent power struggles preceding the emergence of the neo Babylonian empire Habakkuk and Zephaniah are two of the most difficult books in the prophetic canon Cyril J Barber explores these two much neglected portions of Scripture in an effort to explain the purpose of each He examines first Habakkuk s teachings on injustice and suffering Then he discusses Zephaniah s emphasis on the kingdom of God noting God s plan regarding sin judgment and the salvation of His people Detailed outlines and verse by verse commentary make this volume helpful to scholars and laymen alike who wish to discover the truths found in the minor prophets and to apply their age old teachings to life in the twentieth century **Haggai &**

Malachi- Everyman's Bible Commentary Herbert Wolf,1976-10-13 Haggai and Malachi two postexilic minor prophets addressed many practical issues that concern God s people even today attitudes priorities the use of money divorce Christ s second coming and others In Haggai the people listen to God s message and are encouraged but in Malachi they argue with the Lord Yet both books offer important lessons for the church and Christian families Dr Wolf supplies helpful concise and valuable information for the Bible student at any level discussing significant questions and issues and providing section by section commentary on the texts of the two prophecies **Psalms Volume 2- Everyman's Bible Commentary** Robert

Alden,1955-06-01 This profound yet clearly written volume discusses the middle section of the Psalter psalms 51 100 which contains some of the most beautiful expressions of dedication to God in the Bible Dr Alden s commentary makes them come alive for Christians today Studying the Psalms is particularly important for the Christian since as Dr Alden says Here more

than any other place in the Bible the heart throb of the saint is heard Here are the most exalted expressions of God s greatness here are the most bitter groans of the sinful and the sick Here is something for everyone in every mood Each psalm is examined and discussed individually in sequence The meaning of each psalm is carefully explained within the context of a basic outline form With all the helpful features utilized in the Everyman s Bible Commentaries this is an ideal book for personal or group study whether in a classroom or at home This Everyman s Bible Commentary is based upon the author s own translation of the scriptural text **First & Second Kings- Everyman's Bible Commentary** Robert

Hubbard,1991-09-09 By the waters of Babylon in the sixth century B C the Jewish people felt like permanent refugees in a foreign land Israel had undergone captivity once before in Egypt This time the people were in exile because of disobedience The books of 1 and 2 Kings were meant as an antidote for the sorrow of heart that afflicted their souls Robert L Hubbard Jr guides you through the maze of kings and empires prophets and priests that are the subjects of those two Old Testament historical books In those books Hubbard says are peaks of unbelievable glory and valleys of unforgettable despair His study of 1 and 2 Kings and of the chaotic time chronicled in those books is written in a comfortable style but with scholarly care Hubbard applies to our lives today the lessons learned through years of pain Scholar and layman alike will appreciate the combination of readability and scholarly investigation that marks this book Acts of the Apostles- Everyman's Bible
