Everyman's Prayer Book H. Kenneth MacLennan, 2014-08-08 The world is replete with conflicts between various governments and various religious factions Author and retired educator H Kenneth MacLennan has come to realize that these conflicts will not be resolved until the believers of these religions and governments better understand the true nature of those things in which they believe *Everyman's Prayer Book* is a humorous satirical and a sometimes serious look at the nature of how democratic governments and their courts using many of the same pillars and elements of the legal definition of witchcraft crafty science sorcery and fortune telling to procure tax payments from believers as Christianity uses in seeking offerings from believers In considering the nature of democratic governments and their courts you will find important truths and insights into human nature Those insights and truths will be revealed through satirizing ridiculing lampooning skewering deflating dissecting embarrassing undressing unmasking and exposing the illusion that the crafty science of democracy represents the people and that there is such a thing as real justice in the courts of democratic governments Without faith in the existence and power of God although the concept of faith is without foundation and the opposite of reason believers would not accept the power of religions or democratic governments and their courts *First Timothy- Everyman's Bible Commentary* D Edmond Hiebert, 1957-06-01 This concise interpretation of the apostle Paul's first letter to Timothy keeps technical matters to a minimum while making every effort to provide a clear explanation of each portion of the epistle Dr Hiebert's verse by verse method keeps the trend of thought before the reader by means of a well developed outline The letter to Timothy was intended to give him needed help in opposing the false teachings that were creeping into the church Hiebert's valuable commentary makes the truths Paul taught Timothy clear and easily applicable to the layman and busy pastor
