Yiddish Cinema Jonah Corne,Monika Vrečar,2023-09-01 In this book Jonah Corne and Monika Vre ar offer a conceptually innovative reexamination of Yiddish cinema a crucial yet little known diasporic phenomenon that enjoyed its golden age in the mid to late 1930s Yiddish cinema they argue exhibits a distinctive fascination with media forms technologies and institutions and with relationality writ large What stands behind this communication obsession as it might be understood is the films engagement both with Judaic ideals and with a series of Jewish sociohistorical predicaments of troubled communication immigration displacement the breakdown of tradition and so on that the films seek to reflect Accordingly the authors create a resonant conversation between Yiddish cinema populated by an endless procession of disconnected characters ardently striving to rejoin the world of communication and the brilliant yet underappreciated ideas of pioneering Czech Jewish media theorist Vil m Flusser 1920 1991 who escaped Nazi persecution and built the first part of his intellectual career in Brazil Indeed the authors claim that the popular art of Yiddish cinema articulates in dramatic terms a version of the central Flusserian hypothesis that the structure of communication is the infrastructure of human reality and by doing so embodies a remarkable Jewish media theory from below Films discussed include The Wandering Jew 1933 The Dybbuk 1937 Where is My

Child 1937 A Little Letter to Mother 1938 Kol Nidre 1939 Motel the Operator 1939 Tevye 1939 The Living Orphan 1939 and Long Is the Road 1948 Understanding Who Paul Is And His Writings To The Gentiles On The Replacement and Remnant Theologies Patricia McNair PhD MBA MSCS,2024-12-03 Misinterpretation and reading the scriptural text out of context are the major reasons Christianity sees at least two hundred denominations in the United States alone The supersessionism theory takes Paul s letters to the Ephesians and Romans out of context to support replacement theology In Paul and the Replacement Theology Israel Covenants author Rev Dr Patricia McNair shares her Biblical studies research into the components of Paul s life his church in Ephesus he led for three years and the fallacy of the supersessionism replacement theory She offers a new perspective to who Paul is an understanding of the Jewish methods of interpreting the Biblical text especially as applied to how to interpret Paul s letter and on how Israel and God s covenants are connected to his election of the chosen ones **The New American Judaism** Rabbi Dr. Arthur Blecher,2007-10-16 Popular Washington D C rabbi and psychotherapist Arthur Blecher believes that the American Jewish community is actually flourishing amidst fears of dying out He shows us that intermarriage strengthens Judaism a concept that many Jews continue to debate In straightforward and engaging chapters he provides a progressive and positive outline of how this religion has changed over the years and why American Jewish culture must be embraced and discussed in depth in Jewish families This is a fascinating exploration of the ways in which social and psychological forces created a new and quite different form of Judaism in America more than one hundred years ago **Cheering for Self** James S. Vass Jr,James Vass Jr,2003-05-13 This book is a study of UW men s basketball fans during the 2001 2002 season and explores their proclivity to cheering for self during basketball events The term basketball event is used rather than basketball game to make clear that everything connected to and seen heard or experienced before during and after a basketball game is included The actual game itself is only part of the basketball event An undercurrent runs throughout this participant observation mini ethnography dealing with access and the relative quality of that access to basketball events being affected by ones age class race and gender The prominent role of advertising in shaping basketball events and helping to construct fans as consumers of products both commercial and institutional during the process of cheering for self is central to this idea Cheering for self is the activity engaged in by individual fans after they find things to identify or connect with through personal investment Fans cheer for self indirectly Fans cheer for the team that they identify with Through the process of cheering for self while attending the basketball event people are taught how to become fans to consume a UW product the basketball event and to consume advertisers products People have a tendency to spend their entire life trying to impress others *A HISTORY OF JUDAISM AND CHRISTIANITY* Donald Swenson,2024-10-30 This is a second edition of the book The reason for that is that important new information has emerged on the early church with the addition of Tertullian and renewal movements within Christianity and Judaism Healing of the relations between the two traditions is so very vital for the healing of the nations on earth An integral part of the story is a

sociological analysis of the Holocaust and the emergence of Messianic Judaism This text has more than an academic purpose but also a pastoral one It is hoped that this work will assist Christian leaders about the roots of the Christian faith in Judaism Much of the combined history of both traditions has been division and conflict The book's completion with what has been happening in regard to the healing of the many wounds that Christians have inflicted on the Jewish people The time is now with the rise of antisemitism that Christians reach out to our elder brother in faith Answering Jewish Objections to Jesus : Volume 2 Michael L. Brown,2000-11-01 Respectful thoroughly documented answers to twenty eight of the weightiest theological objections progressively reveal how belief in Jesus is deeply rooted in Jewish concepts and teaching Judaism Dan Cohn-Sherbok,2003-09-02 This all encompassing textbook is an unrivalled guide to the history belief and practice of Judaism written by a scholar and rabbi who is also an experienced university teacher More Than Christians Norman Hubbard,2025-01-14 Transform Your Relationships with the Power of Words What do we call each other It's a deceptively simple question because how we refer to one another is how we understand our relationships Not recognizing the power of our words makes it harder for us to trust and serve one another to love one another In More than Christians Norman Hubbard explores how the early church used common words in uncommon ways to make sense of their relationships with God and with one another His research and contextualization of the cultural background to the New Testament is as practical for today as it is urgent Before we were called Christians We called each other brothers and sisters We saw ourselves and one another as saints set apart by God for God's purposes We understood ourselves and one another as beloved by God and therefore worthy of love These and other names defined us at the very beginning of Jesus transforming ministry They still define us today We can celebrate our identity as Christians But we are more than Christians Experience the transformative power of the Gospel as you practice life together in the fullness of your identity as the people of God **Spiritual Unity of Jews and Christians** Vladimir Minkov,2019-01-28 The history of the Western civilization is a transformation from the pagan morality to the God given morality of Judaism of Christianity and then of Judeo Christian civilization as we know it now with the Jewish mission of the Chosen with the Torah as the instructions for replacing the pagan morality under which the humans lived at the beginning The pagan morality is based on enhancing my wellbeing by defeating my neighbor with the help of my god if I bribe enough my god while the God's Torah guided morality is based on enhancing my wellbeing by cooperating with my neighbor and One God will help me to achieve all that if I follow his guidance The spiritual unity of Jews and Christians is explored based on the common Torah Bible guided Judeo Christian morality not on different religious rituals and beliefs created by the priests of Judaism and Christianity That is and many other related things what this book is discussing **The Book of Revelation Through Hebrew Eyes Vol 2** John Klein,Adam Spears,2009-06 This is the second book in a three volume series that will cover the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years In this volume the authors explore the

first half of Revelation from the perspective they established so clearly in Volume i that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation **Lost in Translation Vol 3** John Klein,Adam Spears,2012-03 This is the final book in a three volume series that covers the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years In this volume the authors explore the second half of Revelation from the perspective they established so clearly in Volumes 1 and 2 that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation *The Levites and the Boundaries of Israelite Identity* Mark Leuchter,2017-06-01 The Levites and the Boundaries of Israelite Identity brings renewed attention to the place of the Levites in the definition of Israelite concepts and myths of identity from the early Iron Age through the late Persian period **Italian Jewish Women in the Nineteenth and Twentieth Centuries** Monica Miniati,2022-01-24 This book investigates one of the major issues that runs through the history of Italian Judaism in the aftermath of emancipation the correlation between integration seen as the acquisition of citizenship and culture without renouncing Jewish identity and assimilation intended as an open refusal of Judaism of any participation in the community On account of that correlation identity has become one of the crucial problems in the history of the Italian Jewish community This volume aims to discuss the setting of construction and formation the family and focuses on women's experiences specifically Indeed women were called through emancipation to ensure the continuity of Jewish religious and cultural heritage It speaks to the growing interest for Women's and Gender Studies in Italy and for the research on women's organizations which testify to the strong presence of Jewish women in the emancipation movement These women formed a sisterhood that fought to obtain rights that were until then only accorded to men and they were deeply socially engaged in such a way that was crucial to the overall process of the integration of Jews into Italian society *Birthing to the Workings* Dr. Shirley Johnson,2010-08-26 All things in life are about birthing Concepts viewpoints and even religious doctrine go through a process of birthing In *Birthing to the Workings* author Shirley Johnson examines the effect of the church leaving its Hebraic roots In this informative analysis Johnson places key emphasis on the effect this had on teachings related to the Godhead Trinity and Pentecost Packed with credible resources and buoyed by thorough research this examination provides revelations and truths relating to Godhead perspectives and Hebraic viewpoint It illustrates the following points The Hebraic believers emphasized the cohesiveness of the whole God versus the singleness of the one person The Father and at times the spirit have become supporting actors with Yeshua stealing the show The first apostolic believers of Yeshua believed in manifestations rather than persons Yeshua the apostles and the early church did not support the current Godhead doctrines as espoused by Western Christianity of today *Birthing to the Workings* compares the birthing

process of doctrine and the workings of the Holy Spirit to the birth of a child The theological nature of birthing to workings is clarified as it relates to Christianity the Trinity and the Hebraic roots connection

Food Justice and Hospitality in Luke-Acts Gideon S. S. God's Others David Perlstein, 2010-06-08 Gods Others Non Israelites Encounters with God in the Hebrew Bible reveals the stories of two dozen of the best kept secrets in what is often referred to as the Old Testament the foundation text for the three Abrahamic faiths Often overlooked or misunderstood these non Israelite individuals and groups encounter God through personal or historic revelations They include Melchizedek King of Salem Lot Abrahams nephew Hagar Abrahams concubine Laban Jacobs brother in law The Pharaoh of the Exodus Jethro Moses father in law Rahab harlot of Jericho The Queen of Sheba Ruth Nebuchadnezzar king of Babylon The Gentiles of Jonah Job Gods others demonstrate that people may approach God by many paths They show that claims to exclusive religious truth which often have pitted Jews Christians and Muslims against each other represent a misreading of the Hebrew Bible and the Jewish position of respect for others Traditional and modern commentary add depth to these biblical stories making them as accessible as they are fascinating
