What Every Successful Person Knows - Revised Edition Carl Casanova, 2007-11 THE TIME IS NOW TO KNOW WHAT EVERY SUCCESSFUL PERSON KNOWS Let's get real the times they are a changing and we must awaken ourselves to a personal and professional journey of success. The possibilities of success and opportunities are all around us and this clear and concise book is a powerful guide unleashing the amazing 6 steps that govern the influence to your success in life.

How to Open & Operate a Financially Successful Personal and Executive Coaching Business Kristie Lorette, John N. Peragine (Jr.), 2011 In the United States the average professional coach makes roughly 150 to 200 per hour. It is not uncommon for a seasoned coach to make well over 100 000 per year. If you are good at motivating and inspiring people a coaching business might be a great choice for you. As a professional coach you will recognize and define your client's goals, construct a realistic strategy for achieving your goals, establish a detailed program of actions and activities, identify, manage and change business improvements, get effective and timely results, monitor your progress and build on your successes, achieve what might seem impossible and get the rewards and recognition you deserve. If you are investigating opportunities in this type of business you should begin by reading this book. If you enjoy working with people this might be the perfect business for you. Keep in mind that this business looks easy but as with any business looks can be deceiving. This complete manual will arm you with everything you need including sample business forms, contracts, worksheets and checklists for planning, opening and running day to day operations, assistance with setting up your office plans and layouts and dozens of other valuable timesaving tools of the trade that no business should be without. You will learn how to set up computer systems to save time and money, meet IRS requirements, generate high profile public relations and publicity and implement low cost internal marketing ideas. You will learn how to build your business by using low and no cost ways to satisfy customers as well as ways to increase sales and have customers refer others to you.

The Successful Coaching

Manager Allan Mackintosh, 2003 One of the main features of this book is that not only does it contain theory in a readable format but this theory is also backed up with real life examples and case studies. It has been designed to be an easy to use handbook for busy managers as opposed to an academic tome which may simply gather dust on a manager's library shelf.
