Many agents overlook that they can increase their profits by working smarter and cutting expenses. Here are eight great strategies to boost your income:

1. Calculate how much you earn per hour
2. Eliminate non-productive opportunity costs. Carefully track which activities consistently generate leads and which activities generate little, if any, income.
3. Focus on referrals
4. Remember: Profit is always temporary
5. Limit your marketing spend
6. Price listings correctly
7. Have clarity about what your buyers really want
8. Seek customer feedback
