

All I Need To Know I Learned in Kindergarten by Robert Fulghum

Share everything. Play fair. Don't hit people.
Put things back where you found them.
Clean up your own mess. Don't take things that aren't yours.
Say you're sorry when you hurt somebody.
Wash your hands before you eat. Flush.
Warm cookies and cold milk are good for you.
Live a balanced life – learn some & think some & draw & paint
& sing & dance & play & work every day some.
Take a nap every afternoon.
When you go out in the world, watch out for traffic,
hold hands and stick together.
Be aware of wonder. Remember the little seed in the Styrofoam cup:
the roots go down and the plant goes up and nobody really knows how
or why, but we are all like that.
Goldfish and hamsters and white mice and even the little seed in the
Styrofoam cup – they all die. So do we....
Everything you need to know is in there somewhere.
....And it is still true, no matter how old you are, when you go out in the
world, it is best to hold hands and stick together.
