How to Make Love All Night (And Drive a Woman Wild) Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on. It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes. Daniel knows that Allison needs at least another five minutes of intercourse before she can climax. Here's the problem: Daniel doesn't think he has five minutes left in him. If Daniel continues having intercourse the way he has for the past ten minutes, it may be only a matter of seconds before he has an orgasm. He thinks about slowing down or stopping, but to break the rhythm now would only make it more

difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you're fighting your own body Truth is you really can't enjoy sex when you're fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn't have to hold back He doesn't have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn't matter Previous experience doesn't matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don't stop now Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night

Exploring the Dimensions of Human Sexuality Jerrold S. Greenberg, Clint E. Bruess, Sarah C. Conklin, 2010-03-01

Commitment in Couples Therapy Stephen J. Betchen, 2025-02-21

Commitment in Couples Therapy offers a comprehensive clinical guide to help those who work with couples determine the authenticity of a couple's commitment and to guide their decision on whether the relationship is worth salvaging. The purpose of this book is to focus on those couples who have joined for reasons that pose a significant chance of relational failure. This specific dyad entails one seemingly committed partner and one apparently less committed partner, both of whom may be conscious or unconscious about their sabotaging behavior in the relationship. Betchen offers a clinical model to treat the commitment issue and help the couple's therapist skillfully uncover each partner's conflict with commitment, determine the couple's true relational status, and determine how to re-contract the relationship on more authentic grounds. Chapters provide coverage of the unconscious match process, the sociocultural, transactional, familial, and psychological factors behind commitment, and countertransference, with case studies throughout. Finally, this book offers critical assessment and treatment strategies for therapists to implement in their practice. This book is an essential read for mental health clinicians of all levels and a valuable resource for graduate students in marriage and family therapy programs.
