Encyclopedia of Women in American History Joyce Appleby, Eileen Chang, Joanne Goodwin, 2015-07-17 This illustrated encyclopedia examines the unique influence and contributions of women in every era of American history from the colonial period to the present. It not only covers the issues that have had an impact on women but also traces the influence of women's achievements on society as a whole. Divided into three chronologically arranged volumes, the set includes historical surveys and thematic essays on central issues and political changes affecting women's lives during each period. These are followed by A-Z entries on significant events and social movements, laws, court cases, and more, as well as profiles of notable American women from all walks of life and all fields of endeavor. Primary sources and original documents are included throughout. *Everything Here is Mine* Nicole Hollander, 1992 **Cats with Attitude** Nicole Hollander, 2002 The creator of the popular syndicated cartoon strip Sylvia explores her character's views on the devilishly quirky personality traits of pet cats in this hilarious collection of two bestselling books. *Everything Here is Mine* and *My Cat's Not Fat He's Just Big Boned*. Cats who think too much, cats who hypnotize their owners, cats who plot dastardly deeds but get distracted usually by food, cats who think they're kids, cats who get even, cats who dress up, cats who educate themselves, they are all here to prove their superior intellect and their inclination to obey no one but themselves. A Voice of Our Own Nancy M. Neuman, 1996-05-02 Prominent activists, academics, politicians, journalists, mothers, and daughters celebrate the indomitable spirit of the American woman and reflect on what democracy means to women's lives.
