Evidence And Procedure 2006:

Evidence in European Asylum Procedures Ida Staffans, 2012-04-19 This book focuses on three European asylum procedures and the evidentiary assessment carried out in these. The interrelationship between these procedures and legal systems influencing them is explored and questions in relation to the harmonizing strivings of EU are posed. *Reclaiming Justice* Sanja Kutnjak Ivkovich, John Hagan, 2011-04-15 For the first time in legal history an indictment was filed against an acting head of state Slobodan Milosevic for crimes that he allegedly committed while in office. Seeking to change the concept of ethnic cleansing from a rationalizing euphemism to an incriminating metaphor the International Criminal Tribunal for the Former Yugoslavia ICTY established precedents and expanded the boundaries of international criminal and humanitarian law. In *Reclaiming Justice* The International Tribunal for the Former Yugoslavia and Local Courts Sanja Kutnjak Ivkovich and John Hagan expand on prior literature about the ICTY by providing a comprehensive view of how people from Bosnia and Herzegovina Croatia Kosovo and Serbia view and evaluate the ICTY. Kutnjak Ivkovich and Hagan raise crucial questions about international justice in a systematic and comprehensive manner focusing on the ICTY's legality and judicial independence as well as specific issues of substantive and procedural justice and collective and individual responsibility. They provide an in depth analysis of perceptions about the ICTY and the subsequent work and decisions reached by its local courts. In addition they examine the relationship between the views of the ICTY and ethnicity as the war was fought largely along ethnic lines.

Sexual History Evidence And The Rape Trial Joanne Conaghan, Yvette Russell, 2023-10-27 The use of a rape victim's sexual history as evidence attracted intense public attention after the acquittal of footballer Ched Evans in 2017. Set within the context of a criminal justice system widely perceived to be failing rape victims the use of sexual history evidence remains a flashpoint of contention around rape law reform. This accessible book mounts an important interrogation into the use of a victim's sexual history as evidence in rape trials. Adopting a critical multidisciplinary perspective underpinned by feminist theory the authors explore the role and significance of sexual history evidence in criminal justice responses to rape.

Procedure and Evidence in International Arbitration Jeffrey Waincymer, 2012-05-23 Central to the book's purpose is the procedural challenge facing arbitrators at each and every stage of the arbitral process when fairness arguments conflict with efficiency concerns and trade offs must be determined. Some key themes include how can a tribunal be fair and in particular be neutral if parties are so diverse. How can arbitration be made efficient and cost effective without undue inroads into fairness and accuracy. How does a tribunal do what is best if the parties are choosing a suboptimal process. When can or must an arbitrator ignore procedural choices made by the parties. The author thoroughly evaluates competing arguments and adds his own practical tips expertly synthesizing and engaging with the conference literature and differing authors' views. He identifies criteria that offer a harmonized approach to each stage of the arbitral process with particular attention to such aspects of international arbitration as appropriate trade offs between flexibility and certainty the

rights duties and powers of arbitrators appointment and challenge of arbitrators responses to guerilla tactics drafting of arbitration agreements including specialty clauses drafting of required commencement notices and response documents set off fast track arbitration and other efficiency options strategic use of preliminary conferences and timetabling online arbitration multi party multi contract class arbitration amicus and third party funders pre arbitral referees and interim relief witness evidence both factual and expert documentary evidence production obligations and challenges to production identifying applicable law and remedies and costs
