The United States of America and Germany have a rendezvous with destiny to quote President Franklin D Roosevelt It is a rendezvous that will be devastating for America yet neither will it bode well for Germany or the rest of the world The lumbering European Project of 27 nations known as the European Union EU eventually will dwindle to ten willing nations or ten regional groups of nations federally united under the leadership of Germany At last the long cherished dream of many Europeans for a resurgent and dominant Europe on the world stage will become a reality With shades of Christendom from

the Middle Ages and free of Anglo Saxon trappings and the moderating influence of the UK the new EU will be an economic and military powerhouse that will serve as a counter balance to the once mighty U S A and the growing China threat from the East The Anglo Saxon dream of a reinvigorated Anglosphere as an alternative to the EU will prove to be an illusion Europe will enjoy a few years of unprecedented prosperity before the Project comes to a crashing halt How to Find America and Germany In the Bible explains why these events will take place It also tells us that the Israelite nations of Bible fame are alive and well under their modern names and that their day of awakening is near *The Union Bible Companion; Containing the Evidences of the Divine Origin ... of the Holy Scriptures.
