Evil God Of Love:

God Is Love Gerald Bray, 2012-03-31 While there is no substitute for personal faithful and careful Bible reading and prayer the Bible's vast size and diversity can make distilling its truth a daunting task Thus most Christians benefit from supplemental resources to help learn and apply what Scripture teaches Renowned theologian Gerald Bray has produced just such a resource in his new systematic theology Though packed with robust content he writes about this volume the aim is to reach those who would not normally find systematic theology appealing or even comprehensible This volume is unique from others in that Bray traces the common theme of God's love through the Bible categorically from God's love for himself and his creation to the cross as the ultimate expression of God's love among other categories The centrality of God's love in Bray's theology reflects a deep conviction that the Bible shows us God for who he really is This volume will be of interest to Christians seeking to grow in their faith *God Is Love* Ron Swingle, **The Good God** Michael Reeves, 2012-03-01 In a very accessible way Michael Reeves writes about God as Trinity in order for both our understanding and faith to grow In *The Good God* Michael Reeves writes about growing in our enjoyment of God and seeing how God's triune being makes all his ways beautiful He sees it as a chance to taste and see that the Lord is good to have our hearts won and ourselves refreshed

Evil and the God of Love John Hick, 2007-11-28 When first published *Evil and the God of Love* instantly became recognized as a modern theological classic widely viewed as the most important work on the problem of evil to appear in English for more than a generation It has continued to be at the centre of discussions ever since Alongside a new preface by the author this reissue of the work includes a foreword by Marilyn McCord Adams *Student's Guide to As Relig. Studies*, Ocr Rhinegold Publishing Limited, **Understanding and Knowing God** Roan Rickard, 2018-11-12 Though unseen and unheard the God of the Bible exists Religious wars and atrocities in the history of the Christian West may cause many to disbelieve in God or see Him in a negative light God did not cause these horrors nor is He responsible for these or any other sins of man God is in fact love as John described Him Much of popular culture today reviles God based upon spiritually naive opinions What of pain suffering inequity and injustices How can we say that God is love in the face of this reality Understanding such difficult questions requires development of a spiritually informed perspective Consider if the God of the Bible exists God Almighty our creator surely He must be competent to reveal Himself to us Indeed He is competent and biblical scripture reveals God to mankind Yet God is an elegant personality and scripture is an elegant message Knowing Him and comprehending His scripture require effort The mendicant seeking God and studying scripture must yield heart and mind to renewal unlearn many biases learn new and astonishing ideas and become susceptible to God's Spirit informing retraining and transforming us Spiritual objectivity is possible This book is the product of one adult life spent tenaciously seeking God The author declares that the biblical God does exist He is understandable and knowable Life with God with God dwelling with us and within us is our greatest birthright By God's design we are all children of God As children of God we

have a glorious spiritual inheritance available to us if only we can lift our eyes upon it and make it our own This book has been written to help people everywhere cut through the philosophical theological social cultural and spiritual static of our times that they might walk with God as Enoch Abraham Moses David or Elijah walked Our intimacy with God can and should be as vibrant and constant as any Bible hero we could name To this end bringing people into not only relationship but also spiritual intimacy with God this book was written

The Greatest Love of All Rock Peters, 2016-11-01 The Greatest Love of All is a powerful deeply contemplative book about a journey with God A compilation of intense Christian poetry and Catholic apologetics Moving inspiring love sonnets to God Christmas poems that will put you in the manger with the Holy Family and Passion poems that will make you feel like you were standing at the foot of the Cross on the first Good Friday There are also great unanswerable questions for God Atheists don't believe in God's existence at all but there must be a God because matter cannot cause itself and complex life cannot come from unintelligent matter As Albert Einstein ingeniously said The perfect order of the Universe is proof of the existence of God The author always sarcastically tells atheists that he will contemplate their extremely unscientific Big Bang theory when they can blow up a pile of lumber and a house comes down No there absolutely must be a God The enormous questions this book asks are How did a perfect and all powerful God create such an incredibly imperfect world with foreknowledge and omnipotence How does a kind and merciful holy all good and loving Heavenly Father sit on a throne in Paradise while He is safe and sound and watch the Nazi Holocaust and all the rest of human pain and suffering The Greatest Love of All is universal in its appeal and will be a part of the curriculum for college theology classes around the world stirring vigorous intellectual debate everywhere This book is a compelling must read for all spiritual people

Dr. Sue Perry, 2023-10-17 The Love of God is everywhere you look It is in the very air we breathe His love is unique and incomprehensible yet available for all His children It creates us sustains us and opens the door to God's presence and eternity The more you learn the more you will be awed that you are indeed the object of that perfect love The Love of God presents a study of passages of scripture that relate God's love revealing His presence and plan for all of humanity It was there at the beginning and has no end and there is nothing more powerful or faithful It guides protects and delivers comforts and heals It is free There is no greater love than the love of God and you are His beloved

The Transforming Fire of Divine Love John H. Armstrong, 2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire

Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe **Love Does Not Control** Thomas Jay Oord, John Loppnow, Annie DeRolf, Christy Gunter, Lon Marshall, 2023-04-03 That love does not control seems obvious to many people And yet the temptation to control often with good motives is strong The long term results of yielding to this temptation damage everyone Contributors to Love Does Not Control explore uncontrolling love and a vision of God as uncontrolling They do so from their perspectives as therapists psychologists and counselors Writers ponder what uncontrolling love might mean for human healing Open and relational theology operates as the underlying framework for most contributors That theology fits nicely with the belief that love is uncontrolling Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator s uncontrolling love The essays in Love Does Not Control are diverse Readers may discover some differences of opinion as they move from essay to essay But contributors share in common the quest to explore what uncontrolling love means for issues in counseling psychology and or therapy These essays have a power that goes beyond mere theoretical reflection The ideas in these pages have the capacity to transform our living And even reading Love Does Not Control has the potential to become an exercise in uncontrolling love *Evangelical Dictionary of Theology (Baker Reference Library)* Walter A.
