TWO FACES OF EVIL

# Evil Has Two Faces

**Allen Rubens**

## Evil Has Two Faces:

**Evil Has Two Faces** Sherre Nance, 2004-11 The story begins in a small town in Oklahoma in the 1930s the start of the Dust Bowl and the era known as the Dirty Thirties Caleb Carrington awoke from a deep sleep covered with sweat and shaking all over This was not an unusual occurrence for Caleb For as long as he could remember he had suffered from the same nightmare He referred to the nightmare as the unseen terror which was not altogether true for he did see part of the nightmare two chocolate brown eyes that turned his soul to ice Tonight the nightmare was different He had seen the terror Finally a face to go with the eyes A face beautiful beyond compare and he wasn't terrified of it until he awoke and knew in his heart the face was pure evil in disguise Caleb's nightmare becomes a reality when the demon from his dreams comes to life as his daughter The story spans twenty years Does good triumph over evil If so how can anyone stop a demon that has all the powers of Satan at her disposal

*Every Religion Has Two Faces* Henry Summerfield, 2024-07-30 The poems in this book explore humankind's relationship with nature nature's combination of bountifulness and cruelty and how man resembles and differs from other species They ponder the tension between faith and doubt the good and the evil wrought by religion and the good and the evil in human nature There are references to the virtues and vices of past and modern figures prominent in government philosophy and religion and the place of these persons in the pattern of history Several poems lament human beings tragic propensity for war and exploitation Some celebrate and mourn the way in which the scientific revolution has changed how we see and what we feel about the universe The ambivalences that arise from the contemplation of these topics are more readily conveyed by poetry than by prose

The King with Two Faces Mary Elizabeth Coleridge, 1897

*Wisdom's Dictates; or, aphorisms and rules, physical, moral, and divine; for preserving the health of the body, and the peace of the mind ... To which is added a Bill of Fare of seventy five noble dishes of excellent food, etc* Thomas TRYON (Merchant, Founder of the Tryonist Sect.), 1691

*Art of the Devil* Arturo Graf, 2023-12-28 The Devil holds the strings which move us Charles Baudelaire *The Flowers of Evil* 1857 Satan Beelzebub Lucifer the Devil has many names and faces all of which have always served artists as a source of inspiration Often commissioned by religious leaders as images of fear or veneration depending on the society representations of the underworld served to instruct believers and lead them along the path of righteousness For other artists such as Hieronymus Bosch they provided a means of denouncing the moral decrepitude of one's contemporaries In the same way literature dealing with the Devil has long offered inspiration to artists wishing to exorcise evil through images especially the works of Dante and Goethe In the 19th century romanticism attracted by the mysterious and expressive potential of the theme continued to glorify the malevolent Auguste Rodin's *The Gates of Hell* the monumental tormented work of a lifetime perfectly illustrates this passion for evil but also reveals the reason for this fascination Indeed what could be more captivating for a man than to test his mastery by evoking the beauty of the ugly and the diabolic

The Silenced Theatre

Marketa Goetz-Stankiewicz, 1979-12-15 Since the Soviet occupation of 1968 censorship

has closed the curtain on free expression in Czechoslovakia But plays continue to be circulated in typescript within the country are regularly smuggled out for publication abroad and continue to be produced without restriction in the West This book is the first full length study of Czechoslovak drama of the sixties and seventies The author discusses the works of major playwrights including V clav Havel Pavel Kohout and Josef Topol and the influence of the great Czech writers Kafka and Ha ek as well as Western writers such as Beckett Sartre and Albee Czech and Slovak playwrights have responded in a distinctive courageous and often very funny manner to a political situation perhaps best labelled absurd The author depicts movingly their portrait of the horror and the unintended humour of life in a rigidly bureaucratic society a theme of universal interest The Silenced Theatre is the only detailed study of this dynamic and modern national theatre This book will help to preserve Czech drama and create an awareness of its important role in Western literature a role it continues to play even in exile from its homeland

Apocalypse Jacques Ellul, 2020-05-05 There has never been a book provoking more delirium foolishness and irrational movements without any relationship to Jesus Christ than the Book of Revelation Jacques Ellul Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it Ellul here cuts to the heart of the theological intention of the Book of Revelation and thereby reveals the liberating gospel in all its offensiveness Neither an exhaustive commentary nor a work of historical exegetical analysis Apocalypse is a provocative independent interpretation Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it The goal is to perceive the totality of the book in its movement and structure Architecture in movement is the key to understanding Revelation s puzzling but simple message This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul s thorough engagement with Revelation

Make Christmas Real John Henson, 2014 This book represents a compilation of two events an Advent series of seven sermons preached alternately by Ray Vincent and John Henson at St David s Pontypridd and John Henson s talks during another Advent given at the Othona Community in Dorset England Page xiii

*Understanding Spiritual Power* Marguerite G. Kraft, 2003-08-18 While secularized cultures of the West have a great deal of difficulty dealing with the spiritual as a real non imaginary dimension of life most of the world s peoples do not Having worked and studied among peoples of several non Western societies Marguerite Kraft is convinced that coming to terms with spiritual power presents one of the greatest challenges for all those who work among non Westerners in pastoral or mission situations Understanding Spiritual Power addresses the dynamics of the felt need for spiritual power in relation to a people s assumptions values and commitments in order to provide a foundation for meaningful Christian witness in power oriented societies The Western Church Kraft argues under pressure from modern rationalism has largely lost awareness of God s power and position vis a vis the spiritual realm so important in other societies Indeed this loss of power could be one reason for the interest in Eastern and New Age philosophies on the part of Westerners disillusioned with the modern worldview Having worked among the Kamwe in Nigeria

the Thai in Asia and the Navajo in North America Kraft focuses on specific ways in which people in these three societies view reality and suggests how the gospel can be articulated in forms they can understand Understanding Spiritual Power offers a theological as well as a practical perspective on spiritual power By exploring living societies providing examples and case studies and offering specific strategies this book makes a powerful case for rethinking and recasting traditional missiological methods At the same time it helps Western Christians with ears to hear question whether they might not learn as much from those with whom they work as they seek to teach

**Dictionary of Illustrations Adapted to Christian Teaching, Embracing Mythology, Analogies, Legends ... and Religious Anecdotes, Etc. ...** Elon Foster, 1873 The Qur'an Revealed Colin Turner, 2013-12-31 The Qur'an Revealed is a landmark publication in the history of Islamic studies providing for the first time a comprehensive critical analysis of Bediuzzaman Said Nursi's 6000 page work of Quranic exegesis The Epistles of Light In discussing a wide range of themes from Divine unity to causation from love to spirituality from prophethood to civilization and politics Colin Turner invites the reader into Nursi's conceptual universe presenting the teachings of arguably the Muslim world's most understudied theologian in a language that is accessible to both expert and interested layperson alike Illustrated Dictionary Of Symbols In Eastern And Western Art James Hall, 2018-05-04 A Companion volume to James Hall's perennial seller Dictionary of Subjects Symbols in Art which deals with the subject matter of Christian and Western art the present volume includes the art of Egypt the ancient Near East Christian and classical Europe India and the Far East Flail explores the language of symbols in art showing how paintings drawings and sculpture express many shades of meaning from simple everyday hopes and fears to the profoundest philosophical and religious aspirations The book explains and interprets symbols from many cultures and over 600 illustrations clarify and complement the text There are numbered references throughout the text to the sacred literature myths and legends in which the symbols had their origins Details of English translations of the works are in the bibliography The book includes an appendix of the transcription of Chinese notes and references bibliography chronological tables and index **Jewels of Truth** Ivan Pozo-Illas, 2015-03-06 Your spiritual journey of self improvement continues in volume three of the Jewels of Truth series by Ivan A Pozo Illas aka Atrato In this new compendium of 365 statements of spiritual wisdom Atrato shares daily inspirational tools to explore all of the must-haves in your life including love faith forgiveness and certainly God's His daily statements get right to the heart of the matter quickly and efficiently to inspire you that finding quiet time in your busy stressful life is easier than you may think From these poignant and concise statements rather than lengthy diatribes you can easily and quickly find the essential kernel of truth to help you on your journey today No matter your religious or spiritual traditions or background this volume is written from an all-inclusive perspective Jewels of Truth The Journey of the Soul Continues is the sacred and uplifting result of clairvoyant automatic writing as the genesis motivation to reach the masses The channeled spirit teachers are all angelic in divine nature They are nameless as a united continuum of the Holy Spirit Spirituality has a

core need in our lives No matter where you are on your journey these messages of hope are shared in love *Beyond 101* Allen Rubens, 2013-03-15 Summertime in San Marito California was slow as usual and 10 year old Charlie Taggs was bored All he wanted was a little excitement He got it when he walked into an antique store What he saw was so exciting it scared the hell out of him On the other side of town summer school was in session and the students taking Psychology 101 were thrilled they would soon be learning the dynamics of hypnosis For some lucky students class would be fun For others it would be deadly A 10 year old boy and an enigmatic professor two different people with one common thread take you on a journey of murder lies and mind bending suspense that will leave you wondering just how safe your mind is when someone wants to take it Full of unexpected twists and turns *Beyond 101* will introduce you to the fragmented mind of a diabolical killer you ll never forget The Original Secession Magazine ,1888 **The Room of a Thousand Faces** J. R. Forbus, 2018-10-06 Around 1200 aD Jacopo is a young apprentice at the legendary Monastery of the Holy Cave in Subiaco A dark legend surrounds the shrine on top of the mountain In spite of himself the boy will have to face a terrible trial to save his life but above all his spirit *Novel Notes* Jerome K. Jerome, 1894 *The Deeper Wound* Deepak Chopra, M.D., 2001-12-18 The author of *How to Know God* provides help for healing deep trauma whenever it arises so we may find peace in ourselves and in our world Terror came from the sky and afterward the world would never be the same September 11 2001 defined tragedy for a generation On that day Deepak Chopra found himself driving from city to city meeting thousands of people who begged for meaning and solace in the face of suffering In response he has written *The Deeper Wound* offering a way of healing as a memorial to the thousands of victims who perished The opening section *In the Face of Tragedy* defines suffering as the pain that threatens to make life meaningless When our deepest needs go unfulfilled suffering begins We begin to heal when we go beyond personal anger and fear to a realization of our true self the self that was never afraid and can never be wounded The true self contains the light that no darkness can attack Having described a path of awareness and compassion that leads to the light the second half of *The Deeper Wound* takes us there through *A Hundred Days of Healing* daily affirmations exercises insights lessons and questions each a step out of pain toward a higher reality We can become living memorials to tragedy by restoring the power of life writes Deepak Chopra You are that life you are that power Let us see if we can find the spark that will make the spiritual flame spring up Healing yourself comes in two stages first releasing the energy of suffering then replacing it with the soul s energy It is a gentle and fragile path very much like holding on to a thread as it leads you from step to step If you take the time to listen to the voice of silence you will be astonished at the power you have at your command however long that power has been overlooked A portion of the proceeds earned by the author and publisher from the sale of this book will be donated to the Red Cross to aid in humanitarian relief efforts around the world *Ante-Nicene Christian Library: The works of Lactantius, v. 2., together with the Testaments of the twelve patriarchs and fragments of the second and third centuries* (1871) Alexander Roberts, Sir James Donaldson, 1871 *Film Noir and the Arts of Lighting*

Patrick Keating, 2024-07-12 More than any other set of films from the classical era the Hollywood film noir is known for its lighting the cast shadows the blinking street signs the eyes sparkling in the darkness Each effect is rich in symbolism evoking a world of danger and doppelgangers But what happens if we set aside the symbolism This book offers a new account of film noir lighting grounded in a larger theory of Hollywood cinematography as emotionally engaging storytelling Above all noir lighting is dynamic switching from darkness to brightness and back again as characters change locations shift and fates unfold Richly illustrated Film Noir and the Arts of Lighting features in depth analyses of eleven classic movies The Asphalt Jungle Sorry Wrong Number Odds against Tomorrow The Letter I Wake Up Screaming Phantom Lady Strangers on a Train Sweet Smell of Success Gaslight Secret beyond the Door and Touch of Evil

## Decoding **Evil Has Two Faces**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
