

"*Evil Reincarnate* is a great read. I can't recommend it highly enough. It's dark and dangerous, taut and tense. Right from the start it grabs you by the throat and carries you, kicking and screaming into the darkest corners of the human mind and soul, where sex and death have a power even beyond life."
—Rick Hautala, author of *Twilight Zone* and *Ghost Light*

(THOTH), the Last Testament Maitreya (Joseph Emmanuel),2013-06-20 For thousands of years humanity has longed for a truth revelation or knowledge that explains the unity of God behind all mystical experiences previous revelations and religions of the world and the truth behind the universe science There have been mystical explanations of God from those claiming they have experienced the truth by direct contact with Spirit There are also those who have founded great religions of the world However a great confusion still reigns among spiritualists religions of the world and the many different branches within each religion If you study this Book carefully with a sincere mind and an Open Heart it will be revealed to you that the major religions on earth are not contradictory and separated at all In fact they are complementary and were sent to earth systematically by One God When this is understood the Path to Salvation Eternal Divine Path is known This book is the main writing of Maitreya of the Mission of Maitreya www.maitreya.org *Tayasal* Maxx West,1999-06 Central America An ancient Maya kingdom long since forgotten by time and a madman intent on resurrecting the past glory of a fallen civilization Geograpyh professor Jonathan Gant While conducting a student research trip into the region he inadvertently stumbles into the middle of a third world upheaval Manipulated by the CIA he becomes a pawn in a power struggle that pits strong versus weak good versus evil Pitted against incredible odds Gant is forced to choose between the two but things are not always as they seem In the tropical jungle he comes to realize that insanity is the norm Only he can put an end to the madness but first he must survive Then he has to unravel an ancient mystery the mystery of Tayasal *Fallen Gods (The Complete Series)* Pablo Andrés Wunderlich Padilla, The enemy has infiltrated the empire and gained enough political and military influence to subvert it from within The venom of darkness spills from the heart of the kingdom Politicians and civilians alike have been tamed and subdued rendered incapable of recognizing right from wrong good from evil Evil spreads like a terminal disease unchallenged unhindered and unrestrained In a small village on the outskirts of the kingdom an innocent young shepherd tends to his sheep and helps on the family farm His family's estate is hastening toward economic ruin due to the untimely death of his grandfather It all falls on him to honor his family's legacy When the young shepherd sets off on a seemingly dull journey to a nearby village he encounters a terrible darkness His quest will become an epic battle of survival love and ultimate sacrifice As he accepts the call to arms his innocence will be lost He must save his country and awaken his people from slumber Will he be in time to save them all **Rediscovering Gandhi** Wolfgang Sternstein,2014-01-01 Gandhi and Jesus are brothers in spirit in spite of the great distance in space time and cultural sphere that separates them This is the thesis of this book A completely new view of Jesus life and teaching derives from Gandhi's religious thinking It coincides to a vast extent with the findings of the Life of Jesus Research which was unknown to Gandhi but it also goes beyond it in crucial points To the various things they have in common belongs their rejection of any kind of fundamentalism and its underlying basis the absolute truth claim of the Abrahamic religions **Artificial Intelligence, Reincarnation, and Resurrection** Ernest M. Valea,2021-04-29 This book explores old and new hopes that have emerged in the human quest to defeat death On

the one hand it answers questions such as Are we just physical machines of great complexity with the brain as the hardware on which consciousness operates as its software If so can we speculate on ways in which the mind could be uploaded to a machine and no longer suffer the frailty of this biological body And could an android robot or a mindfile in a computer simulation be conscious On the other hand the book examines the hope of survival through reincarnation according to the teachings of Eastern religions and New Age thought All these topics are discussed from the perspectives of Christian theology and the philosophy of mind This dual investigation will help Christians formulate a coherent response to old and new challenges to their faith *The Road to Counterattack of the Spirit Master* Jeffrey Sanders,2022-11-13 The parched Wuhan City has experienced its hottest temperature ever and this year it topped the list of the four hottest cities **Purity Before Existence** Lance Lichtengel,2016-12-13 In their eternal struggle against all of that which they perceive to be evil the heavens driven by their own ideals bestowed upon the Sacred Nyrheimian Kingdom a supernatural power known as the Energy of the Gods They ordered the people of the kingdom to use the power they were given to convert the rest of the world to their own religion Jafnaorism a religion centred around a set of ethical principles according to which a person possesses human rights only insofar as that they are a fully morally good person The Nyrheimians were given a time period of three years to master the Energy of the Gods before they are to declare war against every country that would refuse to convert to Jafnaorism While the Jafnaorists prepare for their upcoming crusade two seemingly ordinary schoolgirls from a faraway country also experience their own personal battles against evil in their day to day lives However by some unknown process they too develop the Energy of the Gods at the climax of their conflicts with their enemies Guided by this power as well as their own senses of justice Shirosakura Hakutenshi and Arumariya Angeletta continue their fights against evil which very quickly escalate to a scale far grander than the personal struggles they have encountered thus far
