## **Evil Stalks The Night:**

**Evil Stalks the Night** Kathryn Meyer Griffith, 2016-06-17 Twenty years ago psychic Sarah Summers fled from the evil that lurked in the woods behind her childhood home after it killed most of her family but a nasty divorce and financial hardships forced her back when nothing else could have. With her son Jeremy she returns to her inheritance her grandmother's dilapidated house and tries to begin a new life. She meets a police detective Ben who falls for her and she prays her fresh visions of bloodshed and death deep among the dark trees aren't true. Then the murders begin again and Sarah is hurtled back into the familiar nightmare that has haunted her her whole life. The evil in the woods is awake again and this time it wants her last remaining brother Jim her son and her. With Ben and Jim's help can she defeat it this time and live. This was my first ever published paperback novel way back in 1984 and has been a fan favorite of all my 29 books and 13 short stories ever since. **Human No Longer** Kathryn Meyer Griffith, 2020-09-17 Human No Longer a vampire novel by Kathryn Meyer Griffith. Jenny and Jeff Sanders become victims of a bizarre crime leaving Jeff dead and Jenny in a temporary coma. She returns to her children. With Jeff's death she must move back to her childhood home a haunted farmhouse in Summer Haven Florida where once they destroyed a family of vampires. Jenny has no appetite. She's edgy. Her eyes hurt. She thinks it could be trauma or grief. Until one night she can't resist the night woods or the overpowering urge to drink warm animals blood and accepts the truth. Her attackers were vampires. Now she's becoming what she once reviled. She can't abandon her children but must find a way to live in the human world. At night she hunts in the day hides what she's becoming and attempts to fit in. Then townspeople begin dying. Like years before. With her blackouts she fears she may be the killer or is it her vampire attackers. For they've found her and demand she joins them or her family will die. She resists until they kidnap her children. Then she has to find a way to outwit and ultimately destroy them.

**Dear Boss:** Lawrence A. De Graw, 2023-01-22 A heinous and blood thirsted killer is on the loose in New York City and targeting a certain demographic of men. At end he will claim the lives of seven men six of whose very killings directly mimic those of Jack the Ripper of Whitechapel London fame. The types of slayings the manner of death and even the very initials of each victim's name all closely mirror those found slain at the hands of Red Jack in 1888. So who is behind the slashings and why are they even occurring. The city's best Major Crimes Unit is already on the case along with a Medical Examiner and an embedded reporter now all in a race against time to find out the very who and the why behind the bizarre series of crimes. Can the investigative team crack the case before more victims fall to the Ripper's blade. Dark and deliciously evil with villainy run amok the novel is a bloody nail biter that doesn't let up and doesn't let go the ultimate in whodunits that will have you shrieking but coming back for more. Better fasten your seatbelts and don your sleuthing hats then prepare for a roller coaster drop and the most harrowing ride of your life. **DEAR BOSS: The Hunt for the New York Ripper** **Echoes of Other Times** Kathryn Meyer Griffith, 2022-03-19 Frank and Abigail and the town of Spookie have survived the last horrific
