Evil Angels:

Thunderstruck! Peter J. Bellini, 2023-04-18 This book is a historical and theological look into the deliverance and exorcism ministry of John Wesley. It examines how Wesley understood the phenomenon of deliverance and his own practice of it in terms of ordinary and extraordinary gifts. The text looks at how Wesley understood deliverance in general in relation to salvation and how he understood an aspect of deliverance that involved expulsion of demons. Further, the book assesses how contemporary Wesleyans and Christians in general can apply Wesley's theology and practice to deliverance ministry today. Practices like baptismal vows and the use of the gifts of the Holy Spirit are explored in the life of the believer today in terms of deliverance.

Heaven Is a Long Way to Go T. Joe Willey, 2020-09-28 Book Summary: Heaven Is A Long Way to Go. This non-fiction book takes the reader into the hopes, hardships, and tragedies of four generations of ambitious individuals connected by lineage and marriage. They emigrated to America from Norway, England, and the Isle of Man, seeking freedom and free lands offered by the federal Homestead Act. Settling in Wisconsin, Iowa, North Dakota, and Nebraska, they were challenged by economic humiliations, locust plagues, blizzards, prairie fires, accidents, and illness. There were good times too, like picnics, family bonding, and baseball. A source of hope for family members in difficult times was their

belief in Seventh day Adventism a rapidly growing Christian denomination They were sustained by their belief in an imminent Second Coming of Christ to earth during which they would be taken to a safe and everlasting heaven Author T Joe Willey based his stories on research from old newspapers letters and other publications of the time using historical methodology not as a religious apologetic

Encouragement from the Psalms Dr. B,2023-03-03 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord Does God Send Sickness? Troy J. Edwards,2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar
