Eva, Evita Paul Montgomery, 1982-03-03 *Eva Peron* Joanne Mattern, 2013 Rising from a childhood of poverty and disgrace Eva Peron became one of the most influential figures in Argentina's history first as a celebrity and then as the nation's First Lady To the working classes Peron was a saint who worked tirelessly to help the poor and improve life for Argentina's people To the other members of society however Peron was seen as a selfish arrogant woman who cared only about herself and her image For decades people have argued over whether she was an angel or the devil This well researched compelling presents a balanced portrayal of Eva Peron's life and achievements while looking at both sides of the

controversy surrounding a woman who was truly larger than life *Eva Perón* Lesli J. Favor, Ph.D.,2011-01-15 Presents the biography of Eva Peron against the backdrop of her political historical and cultural environment *Eva Perón*,n Darlene R. Stille,2006-07 This book describes the life and accomplishments of Eva Peron whose goal in life was to improve conditions for Argentina's poor *Evita!* William Allen Harbinson,1977 **Eva Perón** María Belén Rabadán Vega,Mirna Vohnsen,2021-08-15 No Latin American woman has ever elicited such extreme feelings of love and hate as Eva Perón She was an actress of humble origins who fell in love with and married the soon to be president of Argentina Juan Domingo Perón Evita as she was fondly known became the most powerful woman in Argentine history Adored by the masses and loathed by the bourgeoisie Evita polarized Argentine society Not even her death could put an end to the mixed feelings she aroused during her lifetime and Evita remains till this day a controversial figure Eva Perón A Reference Guide to Her Life and Works captures Evita's eventful life her works and her legacy The volume features a chronology that includes her childhood her acting career her trip to Europe her political activity her illness and her death as well as more recent events that have memorialized her While an introduction offers a brief account of her life a dictionary section lists entries on people places and events related to her A comprehensive bibliography offers a list of works by and about Evita Finally a filmography includes the movies in which Evita appeared and the TV series and films that have been made about her **Eva Peron** Kremena Spengler,2006-09 Provides an introduction to the life and biography of Eva Peron a popular entertainer and first lady in Argentina *Evita, First Lady* John Barnes,1978 **Evita by Evita** Eva Perón,1980 *Evita, First Lady* John Barnes,1978 The story of one of the most fascinating women of all time Maria Eva Duarte who rose from poverty to become one of the richest most powerful women in the world *Evita* Charles River Editors,2013-08-19 Includes pictures Comprehensively covers Evita's life and legacy including the ways she has been depicted in media over the last 60 years Includes a Bibliography for further reading Maria Eva Duarte de Peron known to the world as Evita stands with Jesus Christ as a highly influential historical figure who lived only 33 years The similarities do not end there as Argentine novelist Tomas Eloy Martinez has observed Evita came to symbolize certain naive but effective beliefs the hope for a better world a life sacrificed on the altar of the disinherited the humiliated the poor of the earth myths which somehow reproduce the image of Christ During her life she was elevated to the status of spiritual leader of her country Argentina and after death she was regarded there as a martyr and a saint by her many followers A visit to the museum dedicated to Evita's legacy in the Botanico neighborhood of Buenos Aires reveals the spirit of quasi religious devotion that surrounds her more than simply a collection of historical displays the museum stands as a shrine to her legacy and intends to imbue its viewers with the spirit and beliefs of the deceased First Lady In one of the rooms the visitor stands in the presence of one of her most famous dresses in a centrally placed glass case with the scent of roses artificially pumped into the air Like many of the other objects the dress is presented much as were the relics of medieval saint Evita's tomb in the same city's Recoleta cemetery constantly

garlanded with fresh bouquets and notes of gratitude from pilgrims who have come to pay their respects provides further evidence of her revered presence in Argentine culture At the same time the presence of the major artifacts of Evita's person in these particular locations is also ironic and revealing of the great social divisions over which she presided Botanico is a prestigious and wealthy neighborhood and the Recoleta is the burial place of Argentina's oligarchy Eva Peron prided herself on having antagonized and earned the hatred of precisely these social classes Over 50 years after her death Peronism the political philosophy devised by her and her husband Juan Domingo Peron remains a potent force in Argentine politics the current president identifies herself closely with the Perons and their legacy but it also continues to inspire deep enmity While a large portion of the country sees Evita as a symbol of national pride there is also a significant sector that sees her as an impostor and a demagogue whose brilliant but irresponsible manipulation of mass politics helped sink the country into chaos Whereas some controversial political figures tend to become more broadly and neutrally admired as the distance from their lifespan grows within her own country Evita remains as much a lightning rod as ever Since her death the mythology and legend of Evita have grown monumentally Though millions worshipped Eva who nearly became the Vice President of Argentina before her premature death opinions of her still vary between two extremes While some think of her as an angelic woman who sought to uplift women and the poor others view her as a self-serving egotistical and embittered woman who used sex to rise up Argentina's social and political ladder and seek vengeance on the upper classes Evita The Life of Eva Peron humanizes the youngest of 5 siblings who once had more modest ambitions as Eva Duarte and it explores the mythology and legacy that have grown around Evita examining her representations in literature film and theatre to uncover the truth behind her enigmatic existence

Juan Peron and the Reshaping of Argentina Frederick Turner, Jose Enrique Miguens, 1983-05-15 Although Juan Peron changed the course of modern Argentine history scholars have often interpreted him in terms of their own ideologies and interests rather than seeing the effect of this man and his movement had on the Argentine people The essays in this volume seek to uncover the man behind the myth to define the true nature of Peronism Several chapters view Peron's rise to power his deposition and eighteen year exile and his dramatic return in 1973 Others examine opposing forces in modern Argentina including the church and its role in politics the conflict between landed stancieros and urban industrialists terrorist activities and their populist support base Peronism and the labor movement and Evita Peron's role in advancing the political rights of women
