The Evolution Angel Todd Michael, 2008-09-04 I asked him Are you the angel of death You must be to keep showing up at these times He paused and said Let s just say you can think of me as an Evolution Angel Todd Michael was the medical director of a level three trauma center when he had his own brush with death before being saved by the voice of an angel In this collection of true stories from the emergency room Dr Michael relates his experiences with dying patients and angels that invariably attend this critical rite of passage Eventually he began communicating with an angel who was sent to aid us in our human evolution Evolution as Dr Michael describes it in *The Evolution Angel* is a quantum leap a jump to a completely new and higher level of being What exactly is that higher level of being and how do we achieve it *The Evolution Angel* provides fascinating lessons wisdom and insight into turning our human journey into one where we can not only communicate with the spirit world but also access this otherworldly wisdom in our lives at any moment Inspirational poignant and wise *The Evolution Angel* is a guide for everyone who wants to learn about the purpose of our lives how to live at the highest level and what happens to the soul after we die *The Evolution Angel* Michael Abrams, 2000-05 A series of events enabled Dr Michael Abrams to sense and finally speak with angels present in the trauma center when patients passed away This intriguing book is a record of his dialogues with these beings and presents advanced metaphysical and philosophical information in an engaging readable format *Relax . . . You're Not Going to Die Part 2* Darryl Philip, 2024-03-19 Twenty years ago we just didn t have the enormous weight of evidence from our contemporary messengers of God our near death experiencers the gifted psychic mediums our ancient spiritual teachers and last but not least the brilliant and courageous scientists and medical doctors Now through part 1 and part 2 of *Relax You re Not Going to Die* we re finally able to address and answer some of the most perplexing questions about God and life and why our lives are the way they are We know now that God is not working in mysterious ways but has a definitive plan in place for each and every one of us This is a time of our spiritual awakening Your life is more perfect than you know We are all magnificent divine immortal spiritual beings that choose this earthly life for the spiritual growth it offers You are invited to examine and explore the overwhelming evidence *No Ordinary Angel* Susan R. Garrett, 2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale Bible Reference Library Susan R Garrett argues that angel talk has never been merely about angels Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God s presence and intervention in the world the existence and meaning of evil and the fate of humans after death In *No Ordinary Angel* Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus *No Ordinary Angel* offers important insights into the development of angelology the origins of Christology and popular Western

spirituality ranging from fundamentalist to New Age In doing so it provokes stimulating theological reflection on key existential questions *Archangel Raphael* Mary LaSota, Death Is Not "The End" Mandy Berlin, 2015-06-04 On December 23 2003 as death released her beloved husband Max from the ravages of cancer Mandy Berlins life also changed Soon after her husband passed away Mandy began to experience uncanny even miraculous happenings As a retired scientist she approached the mystery the way she had been trained to do through empirical observation and analysis She kept meticulous records of the astounding sights and sounds she witnessed Her documentation also included the stories of stunned loved ones who called her in the days after Max passed The result is *Death Is Not The End* the detailed account of her journey from grief to hope and faith An agnostic in the years before her husbands death she knew that these amazing experiences challenged her lack of belief Time and again a synchronistic melody would play as an uncanny episode presented itself to awestruck Mandy and others Here she invites readers into detailed accounts of more than fifty experiences beyond natural explanation On the one year anniversary of her beloved Maxs departure another life changing event opened Mandys eyes to a startling promise and a new way of living being Was Max really gone forever One year after he died just minutes before the time recorded on her husbands death certificate Mandy witnessed a mind numbing event that had the effect of solidifying her awe inspiring experiences She now embraces a new understanding of life death and the subtle boundaries between and shares it all in this memoir
