

The Evolution of 'Harmony'

By Mithun Bhojyar, 2007 batch.

It was dark hue in front of my eyes & all of sudden it thundered. Yes, something chaotic must have occurred! It thundered repeatedly & I could see a lady; holding an apple in her hand! Yes she was Eve! She took a bite of it & she started 'feeling' something new within. She was happy for 'feelings', although she was unhappy as she betrayed God!

She ran to Adam, she felt shy, she asked him to eat the same, he refused first but she compelled. Knowledge is conveyable; so he became 'curious'! He too betrayed God! Did he adore Eve more than God? Isn't Love so natural?

Thus the 'Demon' succeeded in imbibing 'chaotic' knowledge into them. Thus, chaos began, they procreated, their children exploited ecosystem. They were no more purely 'humanlike', and harmony was disharmonized! It was the evolution of present chaotic race of Homo sapiens!

After some pause, I could see another scene of hue & cry. Klattu refused- "no! You human beings are threat to the harmony of the universe. You deserve devastation." Helen requested- "please trust me, although we humans might be greedy but we do believe in compassion. Best of all, we learn from our mistakes".

In the end he was convinced and we were saved. But was this survival permanent?
