Closing down his business moving from his home and finding himself single Graham had to somehow find the strength to carry on including learning how to walk again. During this time he was reminded of a theory he had had many years earlier that of the power of positivity and here he expounds on his unique take on this philosophy. He examines the detrimental effect of negativity on our lives and on the impact for our futures gives specific examples of how to use the power of being positive to defeat negative thoughts and how moving forward by learning from our mistakes can change futures forever.

Twin Flame Soul Connections Kevin Hunter, 2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two until two become one again separate and whole and back around again. Looking into the eyes of your Twin Flame is like looking into the eyes of God because to know love is to know God. When one thinks of a Soul Mate or Twin Flame they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives. This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel. It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic. Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames and how to identify if you've come into contact with your Twin Flame or if you know someone who has. The ultimate goal is not to find one's Twin Flame but to awaken one's heart to love and to work on becoming complete and whole as an individual soul through spiritual self mastery life lessons growth and raising your consciousness. Your soul's life was born out of love and will die right back into that love.
