key continuities and discontinuities in these practices from Confederation into the present Drawing on historical sociology and discursive analyses Thobani examines how the state seeks to fix and stabilize its subjects in relation to the nation s others A controversial ground breaking study Exalted Subjects makes a major contribution to our understanding of the racialized and gendered underpinnings of both nation and subject formation Financial Matters in Islam ShaykhPod Books, 2025-04-04 The following short book discusses some Financial Matters in Islam such as charity lawful and unlawful business This discussion is based on Chapter 2 Al Bagarah Verses 261 283 of the Holy Quran The example of those who spend their wealth in the way of Allah is like a seed of grain which grows seven spikes in each spike is a hundred grains And Allah multiplies His reward for whom He wills And Allah is all Encompassing and Knowing Those who spend their wealth in the way of Allah and then do not follow up what they have spent with reminders of it or other injury will have their reward with their Lord and there will be no fear concerning them nor will they grieve Kind speech and forgiveness are better than charity followed by injury And Allah is Free of need and Forbearing O you who have believed do not invalidate your charities with reminders of it or injury as does one who spends his wealth only to be seen by the people and does not believe in Allah and the Last Day His example is like that of a large smooth stone upon which is dust and is hit by a downpour that leaves it bare They are unable to keep anything of what they have earned And Allah does not guide the disbelieving people And the example of those who spend their wealth seeking means to the approval of Allah and assuring themselves is like a garden on high ground which is hit by a downpour so it yields its fruits in double And even if it is not hit by a downpour then a drizzle is sufficient And Allah of what you do is Seeing Would one of you like to have a garden of palm trees and grapevines underneath which rivers flow in which he has from every fruit But he is afflicted with old age and has weak i e immature offspring and it is hit by a whirlwind containing fire and is burned Thus does Allah make clear to you His verses that you might give thought O you who have believed spend from the good things which you have earned and from that which We have produced for you from the earth And do not aim toward the defective therefrom spending from that while you would not take it yourself except with closed eyes And know that Allah is Free of need and Praiseworthy Satan threatens you with poverty and orders you to immorality while Allah promises you forgiveness from Him and bounty And Allah is all Encompassing and Knowing He gives wisdom to whom He wills and whoever has been given wisdom has certainly been given much good And none will remember except those of understanding And whatever you spend of expenditures or make of vows indeed Allah knows of it And for the wrongdoers there are no helpers If you disclose your charitable expenditures they are good but if you conceal them and give them to the poor it is better for you and He will remove from you some of your misdeeds thereby And Allah of what you do is fully Aware Not upon you is responsibility for their guidance but Allah guides whom He wills And whatever good you believers spend is for yourselves and you do not spend except seeking the face i e approval of Allah And whatever you spend of good it will be fully repaid to you and you will not be wronged Charity is for the poor who have been restricted for the

cause of Allah unable to move about in the land An ignorant person would think them self sufficient because of their restraint but you will know them by their characteristic sign They do not ask people persistently or at all And whatever you spend of good indeed Allah is Knowing of it Those who spend their wealth in Allah s way by night and by day secretly and publicly they will have their reward with their Lord And no fear will there be concerning them nor will they grieve Those who consume interest cannot stand except as one stands who is being beaten by Satan into insanity That is because they say Trade is just like interest But Allah has permitted trade and has forbidden interest So whoever has received an admonition from his Lord and desists may have what is past and his affair rests with Allah But whoever returns to dealing in interest or usury those are the companions of the Fire they will abide eternally therein Allah destroys interest and gives increase for charities And Allah does not like every ungrateful sinner Indeed those who believe and do righteous deeds and establish prayer and give zak h will have their reward with their Lord and there will be no fear concerning them nor will they grieve O you who have believed fear Allah and give up what remains due to you of interest if you should be believers And if you do not then be informed of a war against you from Allah and His Messenger But if you repent you may have your principal thus you do no wrong nor are you wronged And if someone is in hardship then let there be postponement of a debt until a time of ease But if you give from your right as charity then it is better for you if you only knew And fear a Day when you will be returned to Allah Then every soul will be compensated for what it earned and they will not be wronged O you who have believed when you contract a debt for a specified term write it down And let a scribe write it between you in justice Let no scribe refuse to write as Allah has taught him So let him write and let the one who has the obligation i e the debtor dictate And let him fear Allah his Lord and not leave anything out of it But if the one who has the obligation is of limited understanding or weak or unable to dictate himself then let his guardian dictate in justice And bring to witness two witnesses from among your men And if there are not two men available then a man and two women from those whom you accept as witnesses so that if one of them i e the women errs then the other can remind her And let not the witnesses refuse when they are called upon And do not be too weary to write it whether it is small or large for its specified term That is more just in the sight of Allah and stronger as evidence and more likely to prevent doubt between you except when it is an immediate transaction which you conduct among yourselves For then there is no blame upon you if you do not write it And take witnesses when you conclude a contract Let no scribe be harmed or any witness For if you do so indeed it is grave disobedience in you And fear Allah And Allah teaches you And Allah is Knowing of all things And if you are on a journey and cannot find a scribe then a security deposit should be taken And if one of you entrusts another then let him who is entrusted discharge his trust faithfully and let him fear Allah his Lord And do not conceal testimony for whoever conceals it his heart is indeed sinful and Allah is Knowing of what you do Implementing the lessons discussed will aid one to Adopt Positive Characteristics Adopting Positive Characteristics Leads to Peace of Mind and Body Financial Or Business Interests of Officers Or Employees of the Senate United States.
