The Gniezno Summit Roman Michałowski, 2016-04-26 In The Gniezno Summit Roman Michałowski analyses the reasons behind the founding of the Archbishopric of Gniezno during Otto III's encounter with Bolesław Chrobry in Gniezno in 1000. For Michałowski there were two main reasons. One was the martyrdom of St Adalbert the Apostle of the Prussians. His body was buried in Gniezno which put the Gniezno bishopric on a par with bishoprics founded by the Apostles. This was an important argument in favour of Gniezno being raised to the rank of archbishopric. The other reason was Otto III's spirituality. The emperor was fascinated with the idea of asceticism and abandoning the world. Hence his political programme the *Renovatio Imperii Romanorum* also had religious aims and Otto tried to support missions among the pagans. To that end he needed an archbishopric on the north eastern outskirts of the Empire.

Truth Changes Everything (Perspectives: A Summit Ministries Series) Dr. Jeff Myers, 2022-10-18 America has passed a tipping point. A majority of Americans now say that truth is up to the individual and that ultimate truth cannot be known. Learning to speak our own truths was supposed to lead to dignity and harmony. Instead our society struggles with unprecedented levels of social conflict, purposelessness and loss of identity. And still the Truth versus truths tension continues to grow. Is all hope lost? In this inspiring book Dr Jeff Myers tells the fascinating stories of Jesus followers who lived for Truth and transformed their world in times of crisis. These inspiring figures led the way in human dignity, science, art, medicine, education, politics, justice and even the idea of meaningful work. No matter what is going on around us the truth is worth fighting for. If you long for a positive restorative role in our own chaotic era it's time to discover how truth changes everything.

Dearest Soul Fr. John Aurilia, OFM, Cap., 2024-07-22 Padre Pio was well known during his lifetime as a spiritual director to many souls all over the world. What if you too could receive his guidance and counsel? You will find just that in the treasures of his letters written about 100 years ago to his spiritual directors and to his spiritual daughters. Written by a Capuchin friar who served as Padre Pio's secretary in 1967, *Dearest Soul* offers spiritual guidance for every soul in Padre Pio's own words drawn from those letters. This book illustrates his journey as a prophet of our time as one who is so similar and yet so different from us. Author Fr John Aurilia OFM Cap shows us the human side of a difficult saint. Padre Pio is a great master in guiding us through life and we love him because he was one of us: a person full of fears, conflicts, joy, pain, success, discouragement and hope. Most of all he was a man of prayer and contemplation which overshadowed and gave support to all his other gifts. Padre Pio faced many challenges in his spiritual journey and in doing so taught us how to make our journey.
