Everyday Evangelism Tom Eisenman,1987 **Everyday Evangelism - Leader's Manual** Stephen Abbott,2006 A practical tool for training lay people to share their faith naturally Fear of evangelising is broken down as people gain confidence in talking out their faith in everyday situations Set out as for the Student s Manual teaching pointers are placed in the margins alongside the matter under discussion **Everyday Evangelism** Billie Hanks,Billie Hanks Jr.,1986

Everyday Evangelism Gareth Crossley,1987 The church of today can no longer assume the right to speak to the unsaved about the great issues of life and death We have to earn that right Gareth Crossley believes that the approach of the Christian church to the unsaved has often been highly stereotyped and that we need to take a fresh look at the great principles of evangelism outlined in the Scriptures Everyday Evangelism Paul McCauley,David Williamson,2018-12-17 Everyday Evangelism the title of this powerful book is a challenge in itself Our secularised society and perhaps a lack of spiritual courage has meant that for many Christians evangelism is anything but everyday And yet the very real need of our times is for a commitment to spreading the Gospel message on a daily basis As has been said we need a spirit of evangelism not just a spurt of evangelism Commitment is however only part of the answer Anyone who tries to engage in Gospel witness will soon find out that enthusiasm alone will not suffice We also need to be equipped This book has been written with a view to empowering a new generation of Christians to evangelise with confidence and purpose The practical techniques taught by McCauley and Williamson are based on a thoroughly biblical foundation and unlike many volumes on evangelistic methods they concentrate on presenting the Gospel message in a winsome and relevant manner rather than on pressurising individuals into making decisions **Influencing Your World for Christ** Matthew Robert Payne,2017-10-05 The mention of the word evangelism can produce any number of responses from people Many Christians know that they should be sharing Jesus with their friends and family members but fear of rejection stops them Other factors also keep them from sharing One of the most common reasons that people don t win their friends to Christ is not so much fear as the fact that they don t know how to evangelize people However you can influence your world for Christ without overwhelming your friends without embarrassing yourself or without even being rejected One day I sat down and decided to record this book on video so that people could see how I live my life and how I influence those that come in contact with me This process is not scary and you won t be rejected if you live out the keys in this book Instead the contents will actually free you up to be who you are with everyone that you know Gone will be the masks that you wear for some people as they get to know the authentic Christian that you are I am no theologian and have never had formal training at a school yet I have shared my personal faith in Jesus

with thousands of people as well as shared personal messages from Jesus with many people through prophetic evangelism If you want to learn how to influence your world with the message of the Gospel with confidence take a look inside Your world and the lives of those around you will be impacted for God's glory and the Kingdom **Everyday Evangelism for Catholics** Cathy Duffy,2018 Everyday Evangelism for Catholics answers that all important question for Catholics with little experience in evangelism how do I get started In Everyday Evangelism for Catholics Cathy Duffy shares from her wealth of experiencing a natural and easy process that anyone can use to evangelize friends and family including Why all Catholics should be involved in evangelism it isn't just for Protestants How to guide a conversation toward opportunities for evangelism How to ask the right questions to find out where a person is on their spiritual journey How to be prepared to respond to the key concerns that are likely to arise in different situations What a worldview is and why it matters How to recognize underlying worldview assumptions that shape a person's beliefs How to present the Catholic faith to a Protestant who is already familiar with the Bible How to actively listen so you can learn what people truly think and feel How to pray for others and track prayers with a journal How and why to pray with others on the spot Since evangelism isn't a one size fits all process Duffy helps sort out what is likely to work best in different situations She advocates a relational approach rather than the ability to win apologetic arguments Anyone who loves their faith loves others and is willing to invest prayer and time can do this

Evangelism on the Go! Michael McGuire, 2018-05-21 Athletes don't suit up just to sit on the sidelines while others play the game yet week after week Christians suit up at church just to watch others perform Do you find yourself sitting on this proverbial bench off to the side while others share the gospel Do you want to get into the game but think that it's better left to professionals or to people with more experience *Evangelism on the Go* shows you that the greatest discovery you can ever make in your spiritual life is how God wants to use you to reach other people and it will give you insights into how you can become a powerful witness for Christ Author and pastor Michael McGuire provides both spiritual and practical steps you can take to search for opportunities to tell others about Christ and by developing a sensitivity to the Holy Spirit's guidance you too can have the joy of seeing others commit their lives to becoming followers of Christ You do not have to become a professional minister before God can use you to share the gospel and seeing others come to Christ is one of the most exciting parts of the Christian life So don't let fear bench you and keep you out of the game If you want to overcome fear and grow in your faith you must give it away
