Everyday Kabbalah:

Practical Kabbalah Laibl Wolf, 2010-05-19 Kabbalah is an ancient Jewish wisdom that explains the laws of spiritual energy. Up until very recently the Kabbalah was reserved for the elite those who only after years of scholarship and practice were allowed to enter this mystical realm. However one doesn't need to devote one's life to intense study to reap the rich rewards of the Kabbalah. With just a basic understanding of a few key concepts our lives can be enriched immensely. We can then begin to fulfill our deepest dreams and reach our most important goals becoming the people we long to become. By learning to understand the Sefirot the ten spiritual properties that flow from the cosmic source into our heart we can connect to the universe and profoundly transform our experience of daily life. For example Hessed or loving kindness represents the desire to be generous while Gevurah is the desire to focus intently or withhold. These properties must be balanced in order for harmony and well being to occur. Rabbi Laibl Wolf shows how to maintain that balance and enjoy a healthy and productive life by using simple meditation and creative visualization techniques to grasp the spiritual nature of our life. Practical Kabbalah draws upon ancient wisdom but offers a modern interpretation and easy to understand techniques for delving deeper into our selves and our world and for reaping the bounteous gifts that were always meant for us. **Everyday**

Kabbalah Melinda Ribner, 1998 Jewish meditation offers therapeutic psychological and physical benefits including greater self awareness and self acceptance. While all the teachings of this book are designed to promote personal healing and well being some are intended to give spiritual fortitude to those who are undergoing particular hardships. *Everyday Kabbalah* is the first step by step manual integrating spiritual teaching and meditation lessons of the Musar Hasidic and kabbalistic schools. It will also increase people's knowledge about Judaism and give them the means to live happier lives. **Everyday**

Holiness Alan Morinis, 2008-12-02 Mussar is an illuminating approachable and highly practical set of teachings for cultivating personal growth and spiritual realization in the midst of day to day life. Here is an accessible and inspiring introduction to this Jewish spiritual path which until lately has been best known in the world of Orthodox Judaism. The core teaching of Mussar is that our deepest essence is inherently pure and holy but this inner radiance is obscured by extremes of emotion desire and bad habits. Our work in life is to uncover the brilliant light of the soul. The Mussar masters developed transformative teachings and practices some of which are contemplative some of which focus on how we relate to others in daily life to help us to heal and refine ourselves. Gershon Winkler, 2011-10-25 From sorcery to animal totems buzzard feathers to hawk spirits talking trees to magical stones sacred circles to healing rituals the Kabbalah brings readers a rich body of ancient wisdom that has been long neglected and even longer misunderstood. The Kabbalah celebrates a quality of consciousness that enables one to experience magic in the ordinary miracles in the natural course of events and spirituality in the physical. Its roots are as old and rich as most aboriginal shamanic traditions sharing in common with many of them the belief that all of creation is alive from animals and plants to the sun and the moon. The uniqueness of this book
