Essays in Celebrity Culture Pramod K. Nayar, 2021-05-11. The collection of essays in the book moves from the largest domain of celebrity culture in India, Bollywood, through celebrity life writing and biopics, and finally to the politics of and by celebrity culture. The book begins with an exploration of films made around celebrity victims, to the vernacular cosmopolitanism of Bollywood stars, philanthropic and humanitarian work, and finally to celebrity charisma and its role in the current era of post-truth. Two studies of celebrity biopics and auto-biographies from sports stars to Bollywood stars and their disease memoirs are included. Finally, a section of essays is devoted to celebrity cultural politics, including Indian writing as a celebrity, the Narmada River as a celebrity, the desacralization of celebrity statues, Arundhati Roy's celebrated and celebrity activism, and the self-fashioning of Indian authors in the age of digital culture.
