inspire you to be a miracle worker in your own life An Everyday Miracle Jennifer Muszik,2015-12-11 In February 2015 everything changed in an instant for Jennifer Muszik One moment she had a healthy loving husband who embraced his role as stay at home dad for their three children The next moment she was dealing with a shocking reality Paul was on life support and the doctors did not think he would make it through the next hour much less the night Jennifer soon learned Paul was suffering from toxic shock syndrome and hung precariously between life and death while she helplessly watched As family arrived for what they believed would be their last moments together with Paul Jennifer realized she had a choice to make either focus on the dire prognosis or focus on God and pray for Him to heal her husband Jennifer fixed her eyes on God and engaged their community to pray with her on their journey And what happened next was nothing short of an everyday miracle In this moving story a wife and mother shares how she prayed God would save her husband from almost certain death and in the process illustrated to others that He is always there no matter how difficult the circumstances **Everyday Miracles by God's Design** David A. Jernigan,2005-06 *The Extraordinary in the Ordinary* Donald A. Crosby,2017-03-30 Miracles are usually regarded as an intrusion of a supernatural force upsetting the normal workings and laws of the universe but if one is attentive to the natural world one can instead find miracles beneath the surface of everyday existence This outlook is part of Donald A Crosby s religious naturalism which he terms Religion of Nature a belief system that posits the natural world to be the only world without any underlying or transcending supernatural being presence or power In *The Extraordinary in the Ordinary* Crosby explores seven types of everyday miracles such as time language and love to show that the miraculous and ordinary are not opposed to each other Rather it is when we acknowledge the sacred depths and dimensions of everyday existence that we recognize the miracles that constantly surround us **Everyday Miracles** Carol McDaniel,2013-08-14 I did not wave a magic wand to create the miracles that came into my life They were God s way of teaching me that He is real Most of the miracles happened when our family lived in an old farmhouse during the 1960s The miracles Jesus performed when he walked this earth were truly miracles of a different kind The miracles I have written about simply put are my everyday miracles God created all the circumstances Sometimes He used his little insect the lowly ant that showed my friend where her library books were under a pile of toys in the closet Other times He used a burley semi truck driver to rescue my baby boy from a busy highway God is never limited in his miracle activities as you will see when you read my stories Miracles happen every day and they happen when you believe About the author Carol spent most of her life in California where she raised her four children She now lives in Arizona *Everyday Miracles* Clementine Schroeder,Dolores Lewis,2010-05-28 The many experiences that are written here will help you understand more and more what life looks like when the Glory of the Lord is lived out
