Spiritual Awareness Larry E. Maugel, 2021-11-17 Excited about life Or do the events of each day flow into an unending sea of gray Are the sunny days too few and the cloudy days ever threatening Is there a spring to your step and a twinkle of teasing in your eyes Does a smile grace your lips and hope shape your vision The search for a better life an abundant life seems to be humanity's ever constant quest Spiritual Awareness introduces one to the joy of discovery It is a discovery of the spiritual currents that flow within the present moments of the here and now Amidst life's ebb and flow like the rising and falling tide they are currents that form dynamic movements of spiritual realities For the skeptic it provides a vision of a reality that can be experienced beyond the crust of conventional culture For the searcher it reveals the mystery of beauty and wonder that lead to spiritual dimensions of worship For those who suffer it reveals the reality of a healing grace as spiritual insight reshapes the pain and suffering consecrates it and offers it as a humble sacrifice unto the Lord in so doing discovering God's great mercy and comfort for the soul Spiritual Awareness is an effort to combat the dullness and superficiality of our age It seeks to probe more deeply into the mysteries that lie within the events of the common place by becoming increasingly aware of the presence and availability of the spiritual life This awareness leads to an authentic life worth living only because it is steeped deeply in the greatest of all realities This is true awakening All profits are intended to be given to charitable causes **Spiritual Formation as if the Church Mattered** James C. Wilhoit, 2022-03-29 Most books

on spiritual formation focus on the individual But spiritual formation is at the heart of the church's whole purpose for existence It must be a central task for the church to carry out Christ's mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard **Beginning Contemplative Prayer** Kathryn J. Wicks, 2015-11-20 For almost thirty years Availability has been a trusted guide for cultivating openness and being present to God self and others In this new edition Robert Wicks describes availability as a challenging but spiritually rewarding way to live a more balanced life Drawing insights from his spiritual mentors Henri Nouwen and Thomas Merton Wicks shows how freely entering into the turmoil and joy of other people's lives can lead to deeper self knowledge and a powerful encounter with Christ In this simple accessible book written in his characteristic warm and direct

style Wicks shows how self awareness compassion for others and prayer are but different turns on the same road of finding and living the Truth Wicks looks at the three dimensions of spirituality through the lens of availability Looking first at self awareness he offers brief chapters on forgiveness clarity and the uniqueness of each person In part two he examines availability to others as a twofold challenge negotiating the difficulties inherent in relationships and entering into others pain In part three Wicks explores availability to God focusing on letting go and experiencing him *When You Pray Revised Edition* Bishop Rueben P.
