Story of the Making of the Eve of Destruction Amy Brashear, 2019-10-08 Though the story takes place in the 80s it feels eerily timely Bustle Arkansas 1984 The town of Griffin Flat is known for almost nothing other than its nuclear missile silos MAD Mutually Assured Destruction is a fear every local lives with and tries to ignore Unfortunately that s impossible now that film moguls have picked Griffin Flat as the location for a new nuclear holocaust movie aptly titled *The Eve of Destruction* When sixteen year old Laura Ratliff wins a walk on role with a plus one thanks to a radio call in contest she is more relieved than excited Mingling with Hollywood stars on the set of a phony nuclear war is a perfect distraction from being the only child in her real nuclear family which has also been annihilated Her parents are divorced and her mother has recently remarried Her father an officer in the Strategic Air Command is absent except when he phones at odd hours to hint at an impending catastrophe But isn t that his job Laura s only real friend is her new stepbrother Terrence She picks him as her plus one for the film shoot enraging her fair weather friends But their anger is nothing compared to what happens on set after the scripted nuclear explosion Because nobody seems to know if a real nuclear bomb has detonated or not

Counts Silvio Tomeo-Nosdow, 2022-08-15 In this hybrid memoir inspired by his faith in Christ, Silvio takes a very honest, open-minded and intrinsic look at the first thirty-three years of his existence. In this Volume I, he chronicles his first twenty-three years. From birth through the early days, then through adolescence and the rough teenage years up until when he graduates from college. Silvio examines why he made certain decisions along the way and how those decisions effected the trajectory of his life's path. In Volume II, Silvio takes a very introspective journey through his adult life after college. He shares his experiences in the professional world as well as his very personal adventures in faith, family, friendship or, as Silvio refers to it, brotherhood and, of course, love. He ends Volume II at age thirty-three, a very pivotal point in his life when he found himself at yet another impasse, both professionally and romantically. This memoir pays constant tribute to those who impacted Silvio amidst those first thirty-three years. From many family members to friends, teachers, coaches and pastors, Silvio details very specific memories that took place with those influential individuals. How much better of a place would the world be if we all not only looked for the positives in the experiences we've shared with others but we took the time to document those experiences and told people what they meant to us and what we learned from them.
