On the Other Side of Fear Hallie Lord,2016-07-29 What happened to that girl What happened to the girl who was not

afraid to climb to the top of the waterfall and jump Who backpacked across Europe Who took on any feat of bravery without batting an eyelash You wouldn't recognize her she's become that woman paralyzed by fear scared to death to trust God and trying to manage her family's hectic life financial crises yes plural and family issues on her own steam Asking always Does God truly love me Relatable touching and yet hopeful On the Other Side of Fear is the beautiful story of how one young woman learned to live in God's will without fear **Are You There, God? It's Me, Ellen** Ellen Coyne, 2020-10-30 This isn't a Catholic country anymore someone proudly declared in a pub where Ellen Coyne was sitting Ellen had left the Church long ago like many her age But she had never stopped talking to God Now about to turn 30 she realised she wasn't quite ready for this declaration to be true Abandoning the Church had been an act of protest However Ellen began to wonder who had really lost the most Why should those who damaged the Church get to keep all its good bits like the rituals the community a guide for living a better life and the comfort of believing it's not the end when somebody dies But how could she ally herself to an institution she doesn't entirely agree with In her first book a stunningly thoughtful and intelligent debut Ellen Coyne tries to figure out how much she really wants to go back to the Church and if it is even the right thing to do Get ready this is going to inspire a thousand conversations across Ireland about the role of the Church in our society and our future Louise O'Neill I flew through this on a will she won't she knife edge all the while questioning my own attitude to faith and spirituality Emer McLysaght Sings with sincerity this is the book the church doesn't know it needs for its own survival Justine McCarthy
