Everything You Always Wanted:

Everything You Always Wanted to Know About God (but were afraid to ask) Eric Metaxas, 2009-01-21 Who doesn't have questions about God? But where in the world can you go to get answers? Eric Metaxas has been there so he gets it. Which is why he's written this shockingly down-to-earth book on the big questions everyone asks but not always out loud. Totally conversational and sometimes flat-out hilarious, this book asks: How can a good God create a world that has evil and suffering? Is God anti-sex? Doesn't science make God obsolete? What's the real story on miracles? If God is everywhere, why go to church? Don't we already have God within us? Isn't God too busy running the universe to care about the details of my day? These questions and many more get no nonsense answers that don't hide behind dull theological language. So get the lowdown and more than a few laughs on what are probably the most important questions anyone has. *Everything You Always Wanted to*

Know about God Eric Metaxas, 2010-10 We all have questions about Jesus, but very few of us get the answers we're looking for if the answers even exist. Do they? Where in heaven's name do you go to find out? New York Times bestselling author Eric Metaxas understands how hard it can be to get hard truths, and that's why he is writing this hilarious, entertaining guide to the most important questions. *Everything You Always Wanted to Know About Your Teachers (but were afraid to ask)* Jason

Pizzarello, 2023-01-21 Finally, your timeless questions about teachers will be answered through a series of hilarious revelations from a gameshow revealing your teacher's teenage years to a battle of core subject teachers vs. electives. By the end, you'll know why teachers drink so much coffee and what to do if an unexpected encounter occurs in public. Comedy One act, 30-45 minutes, 12-50 actors, gender flexible. **Everything You Always Wanted to Know About Your Rights in the**
