**It's My Life Now** Meg Kennedy Dugan, Roger R. Hock, 2002-09-11 First published in 2000 Routledge is an imprint of Taylor Francis an informa company Understanding and Accepting Our Responsibilities As Men Talmadge S. Robinson, 2012-09 First of all I like to thank God for all he has done in me and my wife's life everything from keeping us when we were in sin until now by giving us peace and joy in our hearts I wish I could get the men to see that no matter how we may look at life it is going to all come down to the choices that we make in life as a man Men I feel that it is time for us to start reaching out to the men of today because a lot of our young men and adult males are really confused about their responsibilities as men and God has placed it on my heart to show men that being a man and being a saved man is the desire that God has for our lives But my first agenda is to ensure you that whatever you are going through at this point in your life is to let you know that someone has already gone through it and is willing to help you get through your situation so you can have joy and peace in your life But as men we don't like to talk about what we are going through in our life because we are taught from a young age that a man is not supposed to cry show emotion or talk about what's going on in their minds because that is a sign of weakness But I want my brothers to understand that giving your life to Christ and letting him know that you need his help is not a sign weakness but the first sign of being the man that God wants you to be So I like for all the men of the world especially my unsaved brother to take time out of their busy schedules to read this book and know in my heart that once you read this book Understanding and Accepting Our Responsibilities as Men your life will never be the same again Because I know that if I can touch the men of today and show them that they can live their life in peace joy and love and that it is your time to receive your blessings by taking on your responsibilities as a man by giving your life to Christ first then I know that the future for our younger generation will be promising Men we are in a time now when our sons daughters and wife need us to be the men that God intended for us to be so it's time for us to step up and take our rightful place as men in our families life most of all in God's kingdom Brothers you may say why is he so concerned about the men the reason is because one I am a man and the other reason is the Lord put someone in my life to show me the way and through their prayers and his grace and mercy he saved me so I can understand and explain to the men of the world that we need to lead and not just follow The 2nd reason is I am so tired of losing so many of our young men because we are not teaching them the true meaning of being a man So men it's time to stand up and take

your rightful place at the head of your families be it single or married and help me reach other unsaved brothers
