healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT's goal To embrace both

Heal Yourself Valentin Matcas, 2016-04-20 Throughout this book you learn to maintain your health prevent illnesses heal yourself and enhance your body and mind in order to become healthier stronger more capable and full of energy and life You learn to identify approach heal and prevent dozens of distinct illnesses and related health issues as diabetes colds and flu strokes allergies autism bipolar disorder obesity cancer depression atherosclerosis social problems headaches nausea heart attacks insomnia arthritis and much more This is not mainstream medicine since it does not involve drugs chemicals or any medical intervention it is not alternative medicine even if it involves only natural healing but it is the actual manner of healing it is your own normal healing system You learn everything that you need for your proper healing good health and excellent condition through all facts about your mind and body including how they function stay healthy and how they defend themselves against all illnesses There is a difference between curing and healing Because while curing refers to the superficial treatment of your symptoms making you feel good as all drugs do healing refers to the comprehensive treatment of your illness including all main causes and resulting symptoms Because in order to heal the actual illness you have to follow the entire line of causality rendering you ill up to the main reason triggering the actual illness since that makes you sick And if you do not heal or solve it you cannot heal the entire illness you cannot recover and therefore you can never feel better With the drugs prescribed by medicine interfering with your own recovery the entire time You might have already noticed people healing themselves yet it certainly takes more than a strong determination to be successful The endeavor of healing yourself and maintaining your health continuously throughout life might seem complex yet once you master it it takes less time less stress and less effort to stay healthy and fit while you may invest the rest of your time and effort on more important matters as living your life

Contagious Diseases Sourcebook, 4th Ed. James Chambers, 2019-08-01 Basic consumer health information about the transmission and treatment of diseases spread from person to person along with facts about prevention self care and drug resistance

What Nurses Know and Doctors Don't Have Time to Tell You Pat Carroll, 2004-06-01 This comprehensive accessible home reference guide addresses a wide range of health concerns as only a nurse who knows the inside story on healthcare can From headaches to ankle sprains asthma to zinc remedies this authoritative resource reveals what everyone needs to know in order to get healthy and stay that way The book features hundreds of tips on easing symptoms promoting healing following a treatment plan and solving both the big and small problems that arise when someone is sick hurt or in pain Readers will discover how to Treat everyday health complaints and minor injuries Heal faster after an injury Get the best results from medicines while reducing side effects Recover more comfortably at home after outpatient surgery
