

Everything starts from prayer. Without asking God for love, we cannot possess love and still less are we able to give it to others. Just as people today are speaking so much about the poor but they do not know or talk to the poor, we too cannot talk so much about prayer and yet not know how to pray.

Everything Starts From Prayer:

Everything Starts from Prayer Mother Teresa, 2023-12-21 Mother Teresa's collected writings offer inspiration and guidance for all spiritual seekers. This book's contents and title say it all: Mother Teresa is a role model for each of us. Pray, we may become as she was and heal the world by using prayer to lead us on the path to spirituality and God. Bernie Siegel, M.D. St. Teresa of Calcutta, the woman we all knew as Mother Teresa, was a devout Catholic nun deeply devoted to Jesus. She expressed her ceaseless devotion in many ways; central among them, her well-known work with the poor and the sick. Her lesser-known expressions of faith included her deep respect for all religions and her burning wish for all people to grow closer to God. With a longing to reach as many souls as possible, she wrote, "I've always said we should help a Hindu become a better Hindu, a Muslim become a better Muslim, a Catholic become a better Catholic." This carefully arranged collection of Mother Teresa's writings promises to both inspire and guide all people from any or no faith tradition who are seeking to find and walk a spiritual path.

Everything Starts from Prayer Mother Teresa, Anthony Stern, 2003 *Everything Starts from Prayer* Mother Teresa of Calcutta, 2010-06-29 At the Home for the Dying in Calcutta, Mother Teresa often cared for the residents as they approached the end. As she was ministering to one illness-ravaged man, a visitor overheard her whisper a few words to him. These few words embody some of Mother Teresa's most wonderful wisdom. This is what she said: "You say a prayer in your religion and I will say a prayer as I know it. Together we will say this prayer and it will be something beautiful for God." These gentle words of solace and care provide us with a glimpse at a Mother Teresa we've often overlooked: Mother Teresa, the universal teacher of prayer. The world has admired the Mother Teresa who devoted her life to caring for the poorest of the poor everywhere. But her close associates knew that all of Mother Teresa's outer activity of caring and action was the natural consequence of her devotion, the overflow of her deep inner life. They witnessed her reliance upon contemplative practice and they recognized Mother Teresa not only as a devout Catholic but also as a great ecumenical teacher of prayer.
