**Everything Under a Mushroom** Ruth Krauss, 2024-08-13 This whimsical classic is a perfect read aloud book for kids ages 3-7 with charmingly silly rhymes that will inspire giggles and out of the box thinking. The celebrated author of *The Carrot Seed* reveals a tiny world where big imaginations roam free all under a mushroom. If children were small enough to fit under a mushroom, what would they do? Everything and anything that's fun to do. This delightfully whimsical book about a tiny under a mushroom world is full of fanciful goings on as the little inhabitants let their imaginations soar. Rhyming words on every page suggest the games they play. They smile and laugh and pretend they are cows. They set up a little town complete with a pizza stand. They watch the moon come up and pretend they are little stars. They become flowers in a garden who greet a beautiful morning. It's all wonderful nonsense and just the kind of let's pretend fun that appeals to kids. Even the tiniest readers and listeners will be enchanted with this very special world. *Crockett Johnson and Ruth Krauss* Philip

Nel, 2012-07-05 An illustrated biography of the innovative geniuses who created children's classics. [Children's Literature Review](#) Alan Hedblad, 1996-12 Presents literary criticism on writers and illustrators for children and young adults. Critical essays are selected from leading sources including published journals, magazines, books, monographs, reviews, and scholarly papers.

**The Man Who Lost His Head** Claire Huchet Bishop, 2024-10-08 A man searches for the right head on his shoulders in this funny parable that teaches kids ages 4-8 about problem solving with illustrations by Caldecott winner Robert McCloskey. It's bad news when you wake up in the morning and find you've lost your head, especially if it's an especially agreeable and handsome head, but there you go, such things happen. In any case, the man who loses his head in *The Man Who Lost His Head* isn't about to grin; that is, if he could grin and bear it. No, he'll make himself a new one and start with a pumpkin and moving on to a parsnip and finally picking up a block of wood, he sets about getting it just right. Still, for all his efforts, it somehow isn't right. It isn't the head he had before. It turns out that only a brash, bold boy can save the man who lost his head from losing it altogether. Claire Huchet Bishop's charming parable is illustrated by the great Robert McCloskey, whose books for children include *One Morning in Maine*, *Blueberries for Sal*, and the Caldecott Medal winning *Make Way for Ducklings*.

**The Backward Day** Ruth Krauss, 2024-09-10 A classic picture book by a Caldecott Medal winning team about a very funny day that moves in reverse. Imagine your whole day lived backward from beginning to end. When you got up, you'd put on your jacket, then your shirt and pants, and over those, your underwear, because after all, backward is backward, and on a backward day, backward is the way everything has to be. You'd walk downstairs backward and sit on your chair backward with your back to the table, and when your parents greeted you in the morning, you'd say of course, Good night. But how long can a backward day go on? Just long enough for a smart kid to reverse the spell he's cast on the whole household and return everything to normal. *The Backward Day*, a delightfully stylish picture book by the Caldecott Prize winning team of Marc Simont and Ruth Krauss, brings to life a humorous and engaging reversal of ordinary reality that
