**The Cult Church how I ended it all** Doris Louise Cooper, 2024-07-26 The Cult Church unveils a harrowing yet enlightening narrative of life under the control of manipulative cult leader Willard Lintz through raw and gripping storytelling. Cooper exposes the dark reality of how easy it is to fall prey to deception and control of those we trust. This powerful memoir recounts the tragic consequences of Lintz's teaching which forbade medical assistance leading to the preventable deaths of five children and several adults including the author's own mother. Cooper delves into the psychological and emotional grip that Lintz held over his followers dictating every aspect of their lives even deciding whom they should marry. **Cults in Our Midst** Margaret Thaler Singer, 2003-04-11 Cults today are bigger than ever with broad ramifications for national and international terrorism. **Unmasking the Cults** Alan W. Gomes, 2009-12-15 In this introduction to the Zondervan Guide to Cults and Religious Movements, Dr. Gomes defines the characteristics of a cult of Christianity and why such a group subverts the search for spiritual truth. He explains the emotional and spiritual appeal of cults, who is susceptible and the techniques cult leaders use to attract members. This book in dealing with a wide range of issues relating to cults and religious movements in general complements the other books in the series all of which focus on

specific religious groups Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Except for this book each book in the series has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood
