

## Is Your Campus Included? Everywoman's Guide So Far

*Everywoman's Guide to Colleges and Universities* is an educational project of The Feminist Press initiated in the fall of 1980. Its purpose is to gauge the health of the environment provided for women by specifically analyzing the programs and services offered on individual campuses throughout the United States. The project will conclude with the publication of a volume by the same title, which will serve as a supplementary text to the usual standard college and university guides presently on the market.

In March 1981, an eleven-page questionnaire was mailed to all undergraduate institutions throughout the country. The approximately 600 campuses which have responded are listed below. On still other campuses, the questionnaire is still in process. **Questionnaires will continue to be accepted until January 1982.**

Additional information on the project may be found in the editorial, "Everywoman's Educational Health on the Road to Equity" (*Women's Studies Newsletter*, Summer 1980), and, in this issue, in "Everywoman's Guide as an Organizing Tool on the Bowling Green Campus," by Susan S. Arpud. A copy of the questionnaire appears in the Spring 1981 issue of the *Women's Studies Quarterly*; or it may be obtained by writing to *Everywoman's Guide*, The Feminist Press, Box 334, Old Westbury, NY 11568.
