**Eve's Ransom (Classic Reprint)** George Gissing, 2017-09-16. Excerpt from *Eve's Ransom*. Of the waiting travellers two kept apart from the rest, pacing this way and that but independently of each other. They were men of dissimilar appearance: the one comfortably and expensively dressed, his age about fifty, his visage bearing the stamp of commerce; the other younger by more than twenty years, habited in a way which made it difficult to ascertain his social standing and looking about him with eyes suggestive of anything but prudence or content. Now and then they exchanged a glance: he of the high hat and caped ulster betrayed an interest in the younger man, who in his turn took occasion to observe the other from a distance with show of dubious recognition.
