Religion Archibald Alexander D.D., 2017-02-09 While dealing with theological liberalism a foothold was needed in order to define how to use reason when looking at the scriptural texts Alexander made a huge leap forward in this work to justify how to use reason to defend the faith and also justify the miracles that are contained with the Bible Although even today these works are still under attack this work is a step forward *Theological Encyclopaedia and Methodology* George Richard Crooks, John Fletcher Hurst, Karl Rudolf Hagenbach, 1894 **Bulletin** New York State Library, 1897 **State Library Bulletin: Additions [Oct. 1, 1890-Apr. 1, 1894] Sept., 1894** New York State Library, 1897 *Documents of the Senate of the State of New York* New York (State). Bruce, 2013 In *Earnestly Contending* Dickson Bruce examines the ways in which religious denominations and movements in antebellum America coped with the ideals of freedom and pluralism that exerted such a strong influence on the larger national culture Despite their enormous normative power these still evolving ideals themselves partly religious in origin ran up against deeply entrenched concerns about the integrity of religious faith and commitment and the role of religion in society The resulting tensions between these ideals and desires for religious consensus and coherence would remain unresolved throughout the period Focusing on that era's interdenominational competition Bruce explores the possibilities for and barriers to realizing ideals of freedom and pluralism in antebellum America He examines the nature of religion from the perspectives of anthropology and cognitive sciences as well as history and uses this interdisciplinary approach to organize and understand specific tendencies in the antebellum period while revealing properties inherent in religion as a social and cultural phenomenon He goes on to show how issues from that era have continued to play a role in American religious thinking and how they might shed light on the controversies of our own time **Christian-Muslim Relations.
