**John Pittard**

## **Evidentialism Essays In Epistemology:**

**Evidentialism** Earl Conee, 2004 Evidentialism is a theory of knowledge the essence of which is the traditional idea that the justification of factual knowledge is entirely a matter of evidence The authors defend this theory arguing evidentialism is an asset virtually everywhere in epistemology from getting started to refuting skepticism *Evidentialism* Earl Brink Conee, 2004 Evidentialism is a theory of knowledge the essence of which is the traditional idea that the justification of factual knowledge is entirely a matter of evidence The authors defend this theory arguing evidentialism is an asset virtually everywhere in epistemology from getting started to refuting skepticism Believing in Accordance with the Evidence Kevin McCain, 2018-10-02 This volume explores evidentialism a major theory of epistemic justification It contains more than 20 papers that examine its nuances its challenges as well as its future directions Written by leading and up and coming epistemologists the papers cover a wide array of topics related to evidentialism The contributors present both sides of the theory some are advocates of evidentialism while others are critics This provides readers with a comprehensive and cutting edge understanding of this epistemic theory Overall the book is organized into six parts The Nature of Evidence Understanding Evidentialism Problems for Evidentialism Evidentialism and Social Epistemology New Directions for Evidentialism and Explanationist Evidentialism Readers will find insightful discussion on such issues as the ontology of evidence phenomenal dogmatism how experiences yield evidence the new evil demon problem probability norms of credibility intellectual virtues wisdom epistemic justification and more This title provides authoritative coverage of evidentialism from the latest developments to the most recent philosophical criticisms It will appeal to researchers and graduate students searching for more information on this prominent epistemological theory *Non-Evidentialist Epistemology*, 2021-07-19 This is the first edited collection entirely dedicated to non evidentialist epistemology or non evidentialism the controversial view that evidence is not required in order for doxastic attitudes to enjoy a positive epistemic status Belief or acceptance can be epistemically justified warranted or rational without evidence The volume is divided into three section the first focuses on hinge epistemology the second offers a critical reflection about evidentialist and non evidentialist epistemologies and the third explores extensions of non evidentialism to the fields of social psychology psychiatry and mathematics

**Metaepistemology** Christos Kyriacou, Robin McKenna, 2018-09-19 This book contains twelve chapters by leading and up and coming philosophers on metaepistemology that is on the nature existence and authority of epistemic facts One of the central divides in metaepistemology is between epistemic realists and epistemic anti realists Epistemic realists think that epistemic facts such as the fact that you ought to believe what your evidence supports exist independently of human judgements and practices and that they have authority over our judgements and practices Epistemic anti realists think that if epistemic facts exist at all they are grounded in human judgements and practices and gain any authority they have from our judgements and practices This book considers both epistemic realist and anti realist

perspectives as well as perspectives that transcend the realism anti realism dichotomy As such it constitutes the state of the art with regard to metaepistemology and will shape the debate in years to come

**An Externalist Approach to Epistemic Responsibility** Andrea Robitzsch,2019-06-21 This monograph provides a novel reliabilist approach to epistemic responsibility assessment The author presents unique arguments for the epistemic significance of belief influencing actions and omissions She grounds her proposal in indirect doxastic control The book consists of four chapters The first two chapters look at the different ways in which an agent might control the revision retention or rejection of her beliefs They provide a systematic overview of the different approaches to doxastic control and contain a thorough study of reasons responsive approaches to direct and indirect doxastic control The third chapter provides a reliabilist approach to epistemic responsibility assessment which is based on indirect doxastic control In the fourth chapter the author examines epistemic peer disagreement and applies her reliabilist approach to epistemic responsibility assessment to this debate She argues that the epistemic significance of peer disagreement does not only rely on the way in which an agent should revise her belief in the face of disagreement it also relies on the way in which an agent should act This book deals with questions of meliorative epistemology in general and with questions concerning doxastic responsibility and epistemic responsibility assessment in particular It will appeal to graduate students and researchers with an interest in epistemology

Contemporary Debates in Epistemology Blake Roeber,Ernest Sosa,Matthias Steup,John Turri,2024-02-26 The perfect introduction to contemporary epistemology completely overhauled for its third edition In Contemporary Debates in Epistemology pairs of specially commissioned essays defend opposing views on some of today s most compelling epistemological issues and problems Offering a unique blend of accessibility and originality this timely volume brings together fresh debates on hotly contested issues to provide readers with the opportunity to engage in comparative analysis of constantly changing and developing epistemological concepts Now in its third edition Contemporary Debates in Epistemology features up to date coverage of the latest developments in the field Entirely new essays examine questions of epistemic normativity and knowledge the relationship between belief and credence the possibility of internalist epistemology epistemic instrumentalism norms of assertion the use of thought experiments in epistemology and more Presents a rigorous yet accessible introduction to the major topics in contemporary epistemology Contains head to head chapters offering forceful advocacy of opposing philosophical stances Focuses on core areas of epistemology Uses a lively debate format that sharply defines the issues and encourages further discussion All new chapters provide fully updated coverage of new and emerging topics in epistemology Part of the Wiley Blackwell Contemporary Debates in Philosophy series Contemporary Debates in Epistemology Third Edition remains an essential resource for advanced undergraduate philosophy majors graduate students in philosophy and epistemologists who want to keep current with contemporary epistemological debates

*TREATISE ON THE NEUROPHILOSOPHY OF CONSCIOUSNESS* Dr. Angell O. de la Sierra, Esq.,2012-08 I would like to invite all those studious

of the mind brain interface puzzle to share our insights What follows represents an ongoing series of reflections on the ontology of consciousness based on some intuitions on life language acquisition and survival strategies to accommodate the biological psychic and social imperatives of human life in its ecological niche thus the BPS model For the latest publication click on BPS Model <http://www.delaSierra.net> ID Neurophilo.net/index.htm **The Puzzle of Perceptual**

**Justification** Harmen Ghijsen, 2016-04-22 This book provides an accessible and up to date discussion of contemporary theories of perceptual justification that each highlight different factors related to perception i.e. conscious experience higher order beliefs and reliable processes The book's discussion starts from the viewpoint that perception is not only one of our fundamental sources of knowledge and justification but also plays this role for many less sophisticated animals It proposes a scientifically informed reliabilist theory which can accommodate this fact without denying that some of our epistemic abilities as human perceivers are special This allows it to combine many of our intuitions about the importance of conscious experience and higher order belief with the controversial thesis that perceptual justification is fundamentally non-evidential in character **A Companion to Epistemology** Jonathan Dancy, Ernest Sosa, Matthias Steup, 2010-02-15 With nearly 300 entries on key concepts review essays on central issues and self profiles by leading scholars this companion is the most comprehensive and up to date single volume reference guide to epistemology Epistemology from A-Z is comprised of 296 articles on important epistemological concepts that have been extensively revised to bring the volume up to date with many new and re-written entries reflecting developments in the field Includes 20 new self profiles by leading epistemologists Contains 10 new review essays on central issues of epistemology **Knowledge in Contemporary Philosophy** Stephen

Hetherington, Markos Valaris, 2021-09-20 The Philosophy of Knowledge A History presents the history of one of Western philosophy's greatest challenges understanding the nature of knowledge Divided chronologically into four volumes it follows conceptions of knowledge that have been proposed defended replaced and proposed anew by ancient medieval modern and contemporary philosophers This volume covers contemporary discussions about scientific social and self knowledge and attempts to understand knowledge naturalistically contextually and normatively With original insights into the vast sweep of ways in which philosophers have sought to understand knowledge The Philosophy of Knowledge A History embraces what is vital and evolving within contemporary epistemology Overseen by an international team of leading philosophers and featuring 50 specially commissioned chapters this is a major collection on one of philosophy's defining topics **Radical**

**Skepticism and Epistemic Intuition** Michael Bergmann, 2021 This book explores the varieties of radical skepticism and different ways of responding to them It focuses on arguments for radical skepticism that emphasize the gap between our evidence and our ordinary beliefs based on that evidence **Knowing by Perceiving** Alan Millar, 2019-01-24 Epistemological discussions of perception usually focus on something other than knowledge They consider how beliefs arising from perception can be justified With the retreat from knowledge to justified belief there is also a retreat from perception to the

sensory experiences implicated by perception On the most widely held approach perception drops out of the picture other than as the means by which we are furnished with the experiences that are supposed to be the real source of justification experiences that are conceived to be no different in kind from those we could have had if we had been perfectly hallucinating In this book a radically different perspective is developed one that explicates perceptual knowledge in terms of recognitional abilities and perceptual justification in terms of perceptually known truths as to what we perceive to be so Contrary to mainstream epistemological tradition justified belief is regarded as belief founded on known truths The treatment of perceptual knowledge is situated within a broader conception of epistemology and philosophical method Attention is paid to contested conceptions of perceptual experience to knowledge from perceived indicators and to the standing of background presuppositions and knowledge that inform our thinking Throughout the discussion is sensitive to ways in which key concepts figure in ordinary thinking while remaining resolutely focused on what knowledge is and not just on how we think of it

**The Routledge Handbook of the Philosophy of Evidence** Maria Lasonen-Aarnio, Clayton Littlejohn, 2023-12-19 What one can know depends on one's evidence Good scientific theories are supported by evidence Our experiences provide us with evidence Any sort of inquiry involves the seeking of evidence It is irrational to believe contrary to your evidence For these reasons and more evidence is one of the most fundamental notions in the field of epistemology and is emerging as a crucial topic across academic disciplines The Routledge Handbook of the Philosophy of Evidence is an outstanding reference source to the key topics problems and debates in this exciting subject and is the first major volume of its kind Comprising forty chapters by an international team of contributors the handbook is divided into six clear parts The Nature of Evidence Evidence and Probability The Social Epistemology of Evidence Sources of Evidence Evidence and Justification Evidence in the Disciplines The Routledge Handbook of the Philosophy of Evidence is essential reading for students and researchers in philosophy of science and epistemology and will also be of interest to those in related disciplines across the humanities and social sciences such as law religion and history Epistemic Consequentialism H. Kristoffer Ahlstrom-Vij, Jeffrey

Dunn, 2018-05-03 An important issue in epistemology concerns the source of epistemic normativity Epistemic consequentialism maintains that epistemic norms are genuine norms in virtue of the way in which they are conducive to epistemic value whatever epistemic value may be So for example the epistemic consequentialist might say that it is a norm that beliefs should be consistent in that holding consistent beliefs is the best way to achieve the epistemic value of accuracy Thus epistemic consequentialism is structurally similar to the family of consequentialist views in ethics Recently philosophers from both formal epistemology and traditional epistemology have shown interest in such a view In formal epistemology there has been particular interest in thinking of epistemology as a kind of decision theory where instead of maximizing expected utility one maximizes expected epistemic utility In traditional epistemology there has been particular interest in various forms of reliabilism about justification and whether such views are analogous to and so face similar problems to versions of

consequentialism in ethics This volume presents some of the most recent work on these topics as well as others related to epistemic consequentialism by authors that are sympathetic to the view and those who are critical of it *Philosophers without Gods* Louise M. Antony, 2007-08-08 Atheists are frequently demonized as arrogant intellectuals antagonistic to religion devoid of moral sentiments advocates of an anything goes lifestyle Now in this revealing volume nineteen leading philosophers open a window on the inner life of atheism shattering these common stereotypes as they reveal how they came to turn away from religious belief These highly engaging personal essays capture the marvelous diversity to be found among atheists providing a portrait that will surprise most readers Many of the authors for example express great affection for particular religious traditions even as they explain why they cannot in good conscience embrace them None of the contributors dismiss religious belief as stupid or primitive and several even express regret that they cannot or can no longer believe Perhaps more important in these reflective pieces they offer fresh insight into some of the oldest and most difficult problems facing the human mind and spirit For instance if God is dead is everything permitted *Philosophers without Gods* demonstrates convincingly with arguments that date back to Plato that morality is independent of the existence of God Indeed every writer in this volume adamantly affirms the objectivity of right and wrong Moreover they contend that secular life can provide rewards as great and as rich as religious life A naturalistic understanding of the human condition presents a set of challenges to pursue our goals without illusions to act morally without hope of reward challenges that can impart a lasting value to finite and fragile human lives This *Atheists R Us* compilation differs markedly in tone from Hitchens and Dawkins Excellent fare for Christian small groups whose members are genuinely interested in the arguments raised by atheists Christianity Today Rather than the foolishness of Dawkins or Hitchens these essays are compelling and sophisticated arguments that religious people ought to confront Tikkun Taken as a group these readable personal and provocative essays make it clear that there are many kinds of non believers and even many different elements that make up a single skeptical outlook Contrary to the popular image atheism isn't all rebellious trumpets and defiant drums That part of the orchestra is essential but here we have all the varieties of unreligious experience a full symphony of unbelief Free Inquiry This collection strikes me as an excellent example of how comprehensible philosophical writing can be at its best By and large the essays are written in a clear and direct style free of philosophical jargon Many who read it will find themselves also engaged at a level that is not merely academic George I Mavrodes Notre Dame Philosophical Reviews [Seemings and the Foundations of Justification](#) Blake McAllister, 2023-08-25 All justified beliefs ultimately rest on attitudes that are immediately justified This book illuminates the nature of immediate justification and the states that provide it Simply put immediate justification arises from how things appear to us from all and only our seemings The author defends each aspect of this seemings foundationalism including the assumption of foundationalism itself Most notably the author draws from common sense philosopher Thomas Reid to present new and improved arguments for phenomenal conservatism and gives the first

systematic argument that seemings alone are capable of immediately justifying The discussion delves deeply into the nature of seemings and how it is that their assertive phenomenal character makes them and them alone capable of immediately justifying Along the way the author makes novel contributions to perennial debates such as internalism versus externalism deontology and epistemic blame epistemic circularity and the common sense response to skepticism Seemings and the Foundations of Justification will appeal to scholars and advanced students interested in epistemology Thomas Reid or the common sense tradition

The Rational Inquirer Michele Palmira, 2025-06-13 The Rational Inquirer offers an original account of the rational response to peer disagreement in terms of a duty to double check one's initial conclusions and a permission to retain an inquiry directing attitude of hypothesis toward those conclusions This allows for a vindication of the competing rational pressures to revise and retain one's original views that give rise to the distinctive puzzle of peer disagreement Michele Palmira conceives of peer disagreement as higher order evidence that generates a genuine epistemic duty to double check one's initial conclusions His inquiry theoretic approach contrasts with existing approaches that characterise the rational response to higher order evidence in terms of doxastic duties to revise or retain one's beliefs He develops a pluralist view of the aims of inquiry offers a definition of double checking and defends the genuine epistemic nature of the duty to double check Palmira shows that while the duty to double check is incompatible with rational belief retention it is compatible with the retention of an attitude of hypothesis whereby two peers retain their cognitive leanings toward conflicting answers to the question at hand He also contends that hypothesis is a sui generis doxastic attitude that does not reduce to suspended judgement or credences develops a non evidentialist and consequentialist view of the central epistemic norm governing rational hypothesis and argues that the account on offer compares favourably with recent views that also appeal to doxastic attitudes other than belief and suspended judgement

*Disagreement, Deference, and Religious Commitment* John Pittard, 2020 Every known religious or explicitly irreligious outlook is contested by large contingents of informed and reasonable people Many philosophers have argued that reflection on this fact should lead us to abandon confident religious or irreligious belief and to embrace religious skepticism John Pittard critically assesses the case for such disagreement motivated religious skepticism While the book focuses on religious disagreement it makes a number of significant contributions to the more general discussion of the rational significance of disagreement as well

**Kornblith and His Critics** Joshua DiPaolo, Luis R.G. Oliveira, 2025-11-04 A wide ranging engagement with one of contemporary epistemology's most influential thinkers Hilary Kornblith is one of the world's leading philosophers theorizing about knowledge and related issues A key figure in the naturalized epistemology tradition Kornblith integrates traditional empiricism with contemporary cognitive science rejecting inward looking first person approaches in favor of a third person scientifically grounded perspective on mind and knowledge Kornblith's contributions have reshaped debates about the nature and structure of knowledge justification and epistemic normativity he has challenged the legitimacy of conceptual analysis

and the reliability of reflection and reasoning besides charting and defending a mature and self consciously naturalistic philosophical methodology By exploring this terrain Kornblith and His Critics offers an in depth examination of some of the most unique and innovative work in the last 40 years of anglophone epistemology This volume brings together fifteen original essays by leading philosophers engaging with Kornblith s work each written specifically for this collection Organized into three main thematic sections Knowledge and Justification Reflection and Inference and Naturalism and Methodology the collection systematically traces and tests the implications of Kornblith s work across key debates The volume also includes a substantial reply from Kornblith offering his own response to the critical challenges raised by the incisive contributions Kornblith and His Critics is ideal for graduate and advanced undergraduate philosophy students especially those taking a variety of courses on epistemology and philosophical methodology Key features include A complete and detailed overview of how Kornblith s work compares with and contributes to key debates in epistemology Cutting edge engagement with the foundations nature and future of naturalized epistemology Thorough discussion of core issues in epistemology from the nature of knowledge justification and inference to the epistemic value of reflection and conceptual analysis A lengthy and unique reply by Hilary Kornblith directly addressing the critical challenges raised by the incisive contributions A systematic and thematic structure for easy integration into graduate and upper level undergraduate courses Kornblith and His Critics is a vital resource for researchers and instructors within philosophy programs in both MA and PhD curricula as well as general readers interested in post analytic and empirically informed philosophy

### **Evidentialism Essays In Epistemology Introduction**

In today's digital age, the availability of Evidentialism Essays In Epistemology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Evidentialism Essays In Epistemology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Evidentialism Essays In Epistemology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Evidentialism Essays In Epistemology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Evidentialism Essays In Epistemology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Evidentialism Essays In Epistemology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Evidentialism Essays In Epistemology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Evidentialism Essays In Epistemology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Evidentialism Essays In Epistemology books and manuals for download and embark on your journey of knowledge?

### **FAQs About Evidentialism Essays In Epistemology Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Evidentialism Essays In Epistemology is one of the best book in our library for free trial. We provide copy of Evidentialism Essays In Epistemology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Evidentialism Essays In Epistemology. Where to download Evidentialism Essays In Epistemology online for free? Are you looking for Evidentialism Essays In Epistemology PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Evidentialism Essays In Epistemology. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Evidentialism Essays In Epistemology are for sale to

free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Evidentialism Essays In Epistemology. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Evidentialism Essays In Epistemology To get started finding Evidentialism Essays In Epistemology, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Evidentialism Essays In Epistemology So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Evidentialism Essays In Epistemology. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Evidentialism Essays In Epistemology, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Evidentialism Essays In Epistemology is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Evidentialism Essays In Epistemology is universally compatible with any devices to read.
