**Encyclopedia of Latin American Literature** Verity Smith, 1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book

Concise Encyclopedia of Latin American Literature Verity Smith, 2014-01-14 The Concise Encyclopedia includes all entries on topics and countries cited by many reviewers as being among the best entries in the book entries on the 50 leading writers in Latin America from colonial times to the present and detailed articles on some

50 important works in this literature those who read and studied in the English speaking world      **The Cambridge Companion to Sappho** P. J. Finglass, Adrian Kelly, 2021-04-29 A detailed up to date survey of the most important woman writer from Greco Roman antiquity Examines the nature and context of her poetic achievement the transmission loss and rediscovery of her poetry and the reception of that poetry in cultures far removed from ancient Greece including Latin America India China and Japan      *Sappho* Page DuBois, 2015-09-02 Sappho has been constructed as many things proto feminist lesbian icon and even by the Victorians chaste headmistress of a girls finishing school Yet ironically as Page DuBois shows the historical poet herself remains elusive We know that Sappho s contemporary Alcaeus described her as violet pure honey smiling Sappho and that the rhetorician and philosopher Maximus of Tyre saw her perhaps less enthusiastically as small and dark We also know that her 7th 6th century BCE island of Lesbos was riven by tyrannical and aristocratic factionalism and that she was probably exiled to Sicily Much of the rest is speculative DuBois suggests that the value of Sappho lies elsewhere in her remarkable verse and in the poet s reception one of the richest of any figure from antiquity Offering nuanced readings of the poems written in an archaic Aeolic dialect DuBois skillfully draws out their sharp images and rhythmic melody She further discusses the exciting discovery of a new verse fragment in 2004 and the ways in which Sappho influenced Catullus Horace and Ovid as well as later writers and painters      Pathways to Progress John L. Ayala, Salvador Güereña, 2011-11-18 Supplying contributions from Latino librarian practitioners across the nation this anthology provides broad coverage of the subject of Latino Spanish speaking library service in the United States Emphasizing public school and academic libraries Pathways to Progress Issues and Advances in Latino Librarianship taps the leading minds of the Latino library world to provide expert discourse on a wide spectrum of library services to Latino patrons in the United States This collection of articles provides an accurate insightful discussion of the issues and advances in Latino library service Coverage of library service to the Latino community includes subjects such as special collections recruitment and mentoring leadership collection development reference services to gays and lesbians children services and special library populations Contributors include library practitioners who are of Mexican Chilean Peruvian Nicaraguan Puerto Rican and Cuban descent Best practices are presented and explained in depth with practical examples and documented citations      *Modern Spanish American Poets* María Antonia Salgado, 2004 Contains alphabetically arranged entries that provide career biographies of nearly fifty modern Spanish American poets each tracing the development of the author s canon and the evolution of his or her reputation and including a bibliography of works      **The Palgrave Handbook of Cold War Literature** Andrew Hammond, 2020-09-04 This book offers a comprehensive guide to global literary engagement with the Cold War Eschewing the common focus on national cultures the collection defines Cold War literature as an international current focused on the military and ideological conflicts of the age and characterised by styles and approaches that transcended national borders Drawing on specialists from across the world the volume analyses the period s fiction poetry

drama and autobiographical writings in three sections dominant concerns socialism decolonisation nuclearism propaganda censorship espionage common genres postmodernism socialism realism dystopianism migrant poetry science fiction testimonial writing and regional cultures Asia Africa Oceania Europe and the Americas In doing so the volume forms a landmark contribution to Cold War literary studies which will appeal to all those working on literature of the 1945-1989 period including specialists in comparative literature postcolonial literature contemporary literature and regional literature

Evohe (Erotic Poems). Christina Peri Rossi, 1994      **Connoción**, 1995      *Tortilleras* Lourdes Torres, Inmaculada Pertusa, 2003-02-21 The first anthology to focus exclusively on queer readings of Spanish Latin American and US Latina lesbian literature and culture *Tortilleras* interrogates issues of gender national identity race ethnicity and class to show the impossibility of projecting a singular Hispanic or Latina Lesbian Examining carefully the works of a range of lesbian writers and performance artists including Carmelita Tropicana and Christina Peri Rossi among others the contributors create a picture of the complicated and multi textured contributions of Latina and Hispanic lesbians to literature and culture More than simply describing this sphere of creativity the contributors also recover from history the long veiled existence of this world exposing its roots its impact on lesbian culture and making the power of lesbian performance and literature visible
