Evolution Of The Nigerian State:

The Evolution of the Nigerian State Tekena N. Tamuno,1972 **The Evolution of the Nigerian State** T. N. Tamuno,1978 **The Evolution of the Nigerian State** Ejitu Nnechi Ota,2019 The Evolution of the Nigerian State from the Colonial Era through the Present Democratic Dispensation Stanley Kavwam,2017-08-31 Seminar paper from the year 2011 in the subject Politics Region Africa language English abstract This paper explores the evolution of the Nigerian state from the colonial era through the present democratic dispensation and maintains that the only legacy bequeathed to the country by Western imperialism that has assumed independence is conceivably religion and or ethnicity It is the position of the paper that religion and ethnicity have more than any phenomenon significantly militated against the evolution of the country into a nation state This underscores continuous agitation for sub regional autonomy and secessionist attempts by the Eastern region of the country as witnessed in the Biafra civil war of 1966 The Nigerian state has grappled with threats to nationhood since independence as several irredentist movements have truncated the maturation of the country into a nation state Similarly gross failure of leadership aided by corruption of political actors has stifled the transformation of the country beyond the colonial partitioning of 1914 The secularity of the Nigerian constitution has been interminably jettisoned in the pursuit of scarce social goods by political actors as amply demonstrated in the imposition of Sharia law in some northern states of the country This has heightened religious and ethnic consciousness of citizens thereby constituting significant drag on the country s march to nationhood The paper advocates the recognition of the country s plurality and diversity as building blocks of unity and national integration Furthermore the de politicization of religion and ethnicity are hereby conversed for the development of a robust and virile Nigerian nation **Political Culture, Change, and Security Policy in Nigeria** Kalu Kalu,2018-03-15 Demonstrating how political culture facilitates or distorts political preferences and political outcomes this book explores how the historical development of social conditions and the current social structures shape understandings and constrain individual and collective actions within the Nigerian political system Political Culture Change and Security Policy examines the extent to which specific norms and socialization processes within the political and civic culture abet corruption or the proclivity to engage in corrupt practices and how they help reinforce political attitudes and civic norms that have the potential to undermine the effectiveness of government It also delineates specific doctrinal models and strategic framework essential to the development and implementation of Nigeria s national security policy as well as innovative approaches to national development planning Professor Kalu N Kalu offers an exhaustive study that integrates several quantitative models in addressing a series of theoretical and empirical questions that inform historical and contemporary issues of the Nigerian project The general premise is that it is not enough to simply highlight the problems of the state and address the what question we must also address the why and how questions that drive political change policy preferences and competing political outcomes **Nigeria in the Fourth Republic** E. Ike Udogu,2022-04-14 Nigeria is a

bellwether in an enormous continent endowed with natural resources and human capital whose development and greatness have been marred by political instability since gaining home rule from Britain in 1960 The contemporary political economic and social quandaries that have stultified Nigeria's growth project flows from difficulties in cultivating patriotic leaders with pluck to enact efficacious policies that will catapult the country to greater heights developmentally Nigeria in the Fourth Republic Confronting the Contemporary Political Economic and Social Dilemmas edited by E Ike Udogu examines some of the vital issues responsible for the current political malaise and recommends strategies for exculpating the country from her current political quagmires The contributors to this book argue inter alia for the avoidance of false starts reminiscent of the military interventions that aborted the democracy project and advocates the enactment of effective policies to supersede decision dictated by politics This volume proposes national healthcare strategies to address the country's healthcare needs and for dialogue to extinguish combustible inter religious conflicts The book recommends ways to assuage police highway malfeasance and explains why human rights observance is critical to further national cohesion while creating space for the subalterns to have their voices heard in discourses on how to advance peaceful coexistence *Missions, States, and European Expansion in Africa* Chima J. Korie, Raphael Chijioke Njoku, 2007-11-21 This volume uses a wide range of perspectives to address the intersection between missions evangelism and colonial expansion across Africa **A History of Nigeria** Toyin Falola, Matthew M. Pliley, Robert Kramm, Harald Fischer-Tiné, 2016-07-04 Vice was one of the primary shared interests of the global community at the turn of the twentieth century Anti vice activists worked to combat noxious substances such as alcohol drugs and cigarettes and immoral sexual activities such as prostitution Nearly all of these activists approached the issue of vice by expressing worries about the body its physical health and functionality By situating anti vice politics in their broader historical contexts Global Anti Vice Activism 1890 1950 sheds fresh light on the initiatives of various actors organizations and institutions which have previously been treated primarily within national and regional boundaries Looking at anti vice policy from both social and cultural historical perspectives it illuminates the centrality of regulating vice in imperial and national modernization projects The
