Age version of late imperial Britain sending up its ideals and institutions Cave men appeared constantly in parades civic pageants and costume parties In the early 1900s American cartoonists and early Hollywood stars like Charlie Chaplin and Buster Keaton adopted and reimagined this very British character cementing it in global popular culture Cave men are an appealing way to explore and understand Victorian and Edwardian Britain *Book Lust Journal* ,2005-01-01

Imperfection Telmo Pievani,2024-02-06 In praise of imperfection how life on our planet is a catalog of imperfections errors alternatives and anomalies In the beginning there was imperfection which became the source of all things Anomalies and asymmetries caused planets to take shape from the bubbling void and sent light into darkness Life on earth is a catalog of accidents alternatives and errors that turned out to work quite well In this book Telmo Pievani shows that life on our planet has flourished and survived not because of its perfection but despite and perhaps because of its imperfection He begins his story with the disruption filled birth of the universe and proceeds through the random DNA copying errors that fuel evolution the transformations of advantages into handicaps by natural selection the anatomical and functional jumble that is the human brain and our many bodily mismatches Along the way Pievani tells readers about the Irish elk incidentally neither Irish nor elk whose enormous antlers serve to illustrate the first two laws of imperfection the widespread dissemination of costly or useless traits and the neuroimperfection of the human brain a frozen accident of evolution that was not designed from scratch as Pievani calls it He sizes up the alleged perfection of the human body asking for example if everything in our bodies serves a purpose why do we have appendixes Why bipedalism with the inevitable back pain that results In this fascinating account Pievani offers the first comprehensive explanatory theory for the ubiquity of imperfection
