Evropeiskii Sud Po Pravam Cheloveka:

Russia and European Human-Rights Law ,2014-11-20 In *Russia and European Human Rights Law The Rise of the Civilizational Argument* Lauri Mälksoo and his co authors critically examine Russia's experiences as part of the European human rights protection system since its admittance to the Council of Europe in 1998 The authors combine legal and constructivist international relations theory perspectives in studying Russia's practice and rhetoric as a member of the Council of Europe and a subject to the jurisdiction of the European Court of Human Rights Certain aspects of human rights doctrine and practice in Russia are particularly highlighted the increasing impact of Orthodox Christian teachings on the Russian government's ideology the situation with media freedom freedom of religion etc The authors draw widely on Russian sources and media The questions whether modern day Russia truly fits in the human rights protection system of the Council of Europe and whether a margin of appreciation will suffice when dealing with Moscow are highly relevant in contemporary European politics

Russia and the European Court of Human Rights Lauri Mälksoo, Wolfgang Benedek, 2018 A critical examination of the effect of the European Court of Human Rights on Russia's approach to human rights [The Impact of the European Convention on Human Rights on Russian Law](#) Anton Burkov, 2007-05-02 This book analyzes the practice of Russia honoring her legal obligations under the European Convention of Human Rights ECHR to secure to everyone within its jurisdiction the rights and freedoms defined in the Convention Article 1 of the ECHR The study comes to the conclusion that the impact of the ECHR on the Russian legal system in terms of its implementation by domestic courts is unsatisfactory The jurisprudence of the Supreme Court and Supreme Arbitration Court is an attempt to demonstrate to the Council of Europe that the ECHR is being applied rather than to implement the ECHR In contrast the jurisprudence emerging from decisions of the Russian Federation's Constitutional Court and district courts indicates a better understanding of the spirit of the ECHR Still the rare instances in which domestic courts implemented the ECHR were more often than not prompted by applicants arguments based on ECHR case law rather than by the courts The book suggests methods of ensuring a more effective implementation of the ECHR's provisions within Russian national law It develops recommendations on how to assess the Russian government's compliance with judgments of the European Court of Human Rights and how to interpret explanations submitted by Russia to the Secretary General of the Council of Europe on her implementation of the ECHR

J. L. Black, 2023-01-24 The short period of time stretching from the dramatic Constitutional amendments of January 2020 to the war launched by Vladimir Putin against Ukraine in February 2022 marked a sharp turning point in Russian history The author explains how Russia got to that point of war Although Putin termed eternal because of amendments that allow him to run for two more terms as president is everywhere in it the book is a study of Russia writ large It features the political uproar

over the Navalny opposition the ravages of the pandemic manifestations of climate change and intensifying confrontations between Russia on one side Ukraine NATO and the US on the other The book provides a who what where and when of the short but volatile period prior to the outbreak of war and offers a tentative why it happened Discussed too are the highs and lows of Putin s popularity the effectiveness or not of economic sanctions and Moscow s pivot to the east

Terror in Chechnya Emma Gilligan,2009-11-09 A riveting history of Russia s crimes in Chechnya Terror in Chechnya is the definitive account of Russian war crimes in Chechnya Emma Gilligan provides a comprehensive history of the second Chechen conflict of 1999 to 2005 revealing one of the most appalling human rights catastrophes of the modern era one that has yet to be fully acknowledged by the international community Drawing upon eyewitness testimony and interviews with refugees and key political and humanitarian figures Gilligan tells for the first time the full story of the Russian military s systematic use of torture disappearances executions and other punitive tactics against the Chechen population In Terror in Chechnya Gilligan challenges Russian claims that civilian casualties in Chechnya were an unavoidable consequence of civil war She argues that racism and nationalism were substantial factors in Russia s second war against the Chechens and the resulting refugee crisis She does not ignore the war crimes committed by Chechen separatists and pro Moscow forces Gilligan traces the radicalization of Chechen fighters and sheds light on the Dubrovka and Beslan hostage crises demonstrating how they undermined the separatist movement and in turn contributed to racial hatred against Chechens in Moscow A haunting testament of modern day crimes against humanity Terror in Chechnya also looks at the international response to the conflict focusing on Europe s humanitarian and human rights efforts inside Chechnya
