## **Examining The Cults:**

**Examining the Cults** Harold J. Berry, 1977      Cults in Context Lorne Dawson, 2018-02-06 In the face of the increasingly variegated ideological landscape of contemporary America cults have become the focus of public controversy The growth of new religions has been matched by the development of an organized and vocal opposition the anti cult movement This in turn has prompted an extensive investigation of new religious movements NRMs by sociologists and psychologists of religion as well as historians and religious studies scholars The readings collected here contribute to the debate about cults by sampling some of the best and most accessible publications from the academic study of NRMs The contributors address the questions most commonly asked about cults such as What brought about the emergence of new religious movements What is a cult or new religious movement Who joins new religious movements and why Are converts to new religious movements brainwashed Why did the Jonestown and Waco tragedies happen Are cults inclined to be violent What does the emergence of so many new religious movements say about our society What does it say about the future of religion Cults in Context surveys the descriptive typologies theories and data accumulated by sociologists and psychologists studying new religious movements over the last twenty years It serves to defuse many popular fears and misconceptions about cults allowing the reader to develop a more reasonable and tolerant understanding of the people who join new religious movements and the functions of these movements in contemporary society      The How To of Qualitative Research Janice D. Aurini, Melanie Heath, Stephanie Howells, 2021-12-08 This book will support you through each milestone of your research project with step by step instructions to doing qualitative research Whatever type of data or data collection method you use it will help you to navigate the nuts and bolts of qualitative research from forming your research question to effectively writing up Your roadmap and toolbox all in one it helps you choose the best research tools for your project while managing any challenges you might encounter along the way It includes Guidance on putting different research designs into practice including using technology for interviews data management and unobtrusive research Practical mapping tools including checklists and quick tips Online case studies and further reading to deepen your knowledge and expand your bibliography Advice from experts on how to design and implement excellent qualitative research including considerations of ethical issues This book is the perfect companion for social sciences students carrying out their first qualitative research project      **Unmasking the Cults** Alan W. Gomes, 2009-12-15 In this introduction to the Zondervan Guide to Cults and Religious Movements Dr Gomes defines the characteristics of a cult of Christianity and why such a group subverts the search for spiritual truth He explains the emotional and spiritual appeal of cults who is susceptible and the techniques cult leaders use to attract members This book in dealing with a wide range of issues relating to cults and religious movements in general complements the other books in the series all of which focus on specific religious groups Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual

truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Except for this book each book in the series has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood

**Cults** Orlin D. Lucksted, D. F. Martell, 1982 Social Science and the Cults John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults

*Mystery Cults in the Ancient World* Hugh Bowden, 2023-09-07 Mystery cults are one of the most intriguing areas of Greek and Roman religion In the nocturnal mysteries at Eleusis participants dramatically re enacted the story of Demeter s loss and recovery of her daughter Persephone in Bacchic cult bands of women ran wild in the Greek countryside to honour Dionysus in the mysteries of Mithras men came to understand the nature of the universe and their place within it through frightening initiation ceremonies and astrological teachings These cults were an important part of life in the ancient Mediterranean world but their actual practices were shrouded in secrecy and much of what they were about has remained unclear until now This is the first book to describe and explain all the major mystery cults of the ancient world cult by cult reconstructing the rituals and exploring their origins It makes plentiful use of artistic and archaeological evidence as well as ancient literature and epigraphy Greek painted pottery Roman frescoes inscribed gold tablets from Greek and South Italian tombs and the excavated sites of ancient religious sanctuaries all contribute to our understanding of ancient mystery cults Making use of the most recent work on these cults the book is also informed by crucial current work on the anthropology and cognitive science of religion Not only is this clearly written book a significant contribution to the study of these cults but it is also accessible to a general readership More than any other book on ancient religion it allows the reader to understand what it was like to participate in these life transforming religious events

*The Cult of Silvanus* Peter F. Dorcey, 1992 One of the few studies that deals with Roman domestic religion as practised by the lower classes The author collects and analyzes the enormous epigraphic and archaeological evidence for Silvanus The Roman god of agriculture and forests challenging the widely held view that private cult was subordinate or inferior to civic paganism

**The personality cult of Stalin in Soviet posters, 1929-1953** Anita Pisch, 2016-12-16 From 1929 until 1953 Iosif Stalin s image became a central symbol in Soviet propaganda Touched up images of an omniscient Stalin appeared everywhere emblazoned across buildings and lining

the streets carried in parades and woven into carpets and saturating the media of socialist realist painting statuary monumental architecture friezes banners and posters From the beginning of the Soviet regime posters were seen as a vitally important medium for communicating with the population of the vast territories of the USSR Stalin's image became a symbol of Bolshevik values and the personification of a revolutionary new type of society The persona created for Stalin in propaganda posters reflects how the state saw itself or at the very least how it wished to appear in the eyes of the people The Stalin who was celebrated in posters bore but scant resemblance to the man Iosif Vissarionovich Dzhugashvili whose humble origins criminal past penchant for violent solutions and unprepossessing appearance made him an unlikely recipient of uncritical charismatic adulation The Bolsheviks needed a wise nurturing and authoritative figure to embody their revolutionary vision and to legitimate their hold on power This leader would come to embody the sacred and archetypal qualities of the wise Teacher the Father of the nation the great Warrior and military strategist and the Saviour of first the Russian land and then the whole world This book is the first dedicated study on the marketing of Stalin in Soviet propaganda posters Drawing on the archives of libraries and museums throughout Russia hundreds of previously unpublished posters are examined with more than 130 reproduced in full colour The personality cult of Stalin in Soviet posters 1929-1953 is a unique and valuable contribution to the discourse in Stalinist studies across a number of disciplines *Soldiers, Cities, and Civilians in Roman Syria* Nigel Pollard, 2000 A study of interaction between the Roman army and the civilian population in Syria and Mesopotamia in the first five centuries A D *Baby and Child Heroes in Ancient Greece* Corinne Ondine Pache, 2004 Baby and Child Heroes in Ancient Greece is the first systematic study of the considerable number of Greek babies and children who became enduring myths objects of worship and the recipients of sacrifice Examining literary pictorial and numismatic representations Pache opens up a vast territory once occupied by children such as Charila Opheltes Melikertes and the children of Hercules and Medea She argues that the stories songs and sanctuaries honoring these heroes express parental fears and guilt about children's death Jacket *Cults of the Greek States* Lewis Richard Farnell, 1907

**Unsafe Sects** Roger E. Olson, 2023-08-29 For some decades American and other culture has been obsessed with cults But what does cult mean How should a religious group be identified as a cult Who joins cults and why These and other questions are answered in this book It provides a basic introduction to cults unsafe sects especially from an orthodox Christian perspective Here readers will also find accounts of the author's personal experiences of cults **Oregon Voter**, 1924 *Studying Religion, Past and Present* Nickolas P. Roubekas, Dimitris Xygalatas, Luther H. Martin, Donald Wiebe, 2024-09-05 Celebrating the contributions of Panayotis Pachis to the field this book discusses the past present and future of the study of religion in antiquity and modernity Panayotis Pachis has dedicated his celebrated career at the Aristotle University of Thessaloniki to the study of various aspects of ancient religions The contents of this book reflect Pachis conviction that the study of religious ideas and practices should be focused on three pillars the study of history the

formulation and application of theoretical frameworks and the utilization of traditional as well as innovative methodological tools Chapters range from the scientific study of Roman Graeco religions cultural evolution and neurocognitive theories in the history and study of religion to a look at why we need an integrative approach to study religion past and present *An Examination of the Isis Cult with Preliminary Exploration Into New Testament Studies* Elizabeth A. McCabe, 2008 This work serves as an investigation of the Isis cult by tracing its development from Egypt into Greco Roman society The origin of the Isis cult is described by using the accounts of Plutarch Apuleius and Diodorus before examining the effects of Isis on Egyptian culture The Isis cult soon overflows into the Greco Roman world While this mysterious religion initially encounters opposition especially since it clashes with Roman patriarchal society it overcomes these limitations The relevance of Isis to New Testament studies is demonstrated by comparing similar Pauline practices to Isiac beliefs and practices The concepts of freedom salvation baptism and resurrection in Pauline Christianity overlap with Isiac beliefs The possibility of the Isis cult as an historical context is explored in the book of 1 Timothy which serves as an example of the intersection between the biblical text and the Egyptian cult of Isis *A Historical Introduction to the Study of New Religious Movements* W. Michael Ashcraft, 2018-02-02 The American public s perception of New Religious Movements NRMs as fundamentally harmful cults stems from the anticult movement of the 1970s which gave a sometimes hysterical and often distorted image of NRMs to the media At the same time academics pioneered a new field studying these same NRMs from sociological and historical perspectives They offered an interpretation that ran counter to that of the anticult movement For these scholars in the new field of NRM studies NRMs were legitimate religions deserving of those freedoms granted to established religions Those scholars in NRM studies continued to evolve methods and theories to study NRMs This book tells their story Each chapter begins with a biography of a key person involved in studying NRMs The narrative unfolds chronologically beginning with late nineteenth and early twentieth century perceptions of religions alternative to the mainstream Then the focus shifts to those early efforts in the 1960s and 1970s to comprehend the growing phenomena of cults or NRMs using the tools of academic disciplines The book s midpoint is a chapter that looks closely at the scholarship of the anticult movement and from there moves forward in time to the present highlighting themes in the study of NRMs like violence gender and reflexive ethnography No other book has used the scholars of NRMs as the focus for a study in this way The material in this volume is therefore a fascinating viewpoint from which to explore the origins of this vibrant academic community as well as analyse the practice of Religious Studies more generally **Do As I Say** Sarah Steel, 2022-06-28 At the heart of being human is the desire to belong It can make us unspeakably vulnerable to the manipulations of others Cult leaders prey on this desire but so do many unscrupulous operators hiding in plain sight Sarah Steel the creator of the popular Let s Talk About Sects podcast has researched the cults you ve heard of and dozens you haven t What strikes her most are not the differences between bizarre cult behaviour and normal behaviour but the depressing similarities Her work reveals that we are all susceptible to

the power of cult dynamics In *Do As I Say* Sarah Steel tells the human tale behind the sensationalism Sharing deeply personal stories gathered over years of interviews with survivors and some shocking tales about the world's most famous cults she sheds light on the high cost of unchecked coercive behaviours to individuals and communities at large Praise for *Do As I Say* Sarah uses the stories of survivors to tease out the common threads of coercive control shared by cults and found in other parts of society The result is a much needed spotlight on the behaviours and personalities we are likely to encounter even if we never go anywhere near a cult David Gillespie bestselling author and lawyer In times of uncertainty when you long for simple answers and have a deep desire for community you can find yourself incrementally handing over your agency to a charismatic but authoritarian and manipulative leader or group think In this book Sarah Steel has brilliantly charted how this happens in all sorts of ways and for all sorts of people it provides an invaluable map to navigate this dangerous terrain Reverend Tim Costello AO This book is a most comprehensive and studied look at cults the leaders and perhaps most importantly the survivors Sarah Steel has given the world a real gem one that will not only educate but also help to destigmatize those who have been harmed by cults and con artists Bravo Dr Janja Lalich cult expert academic and former cult member

**Lived Experiences of Ideologies in Contextual Islam** Judy Wanjiru Wang'ombe, 2024-02-29 There is a tendency within the study of Islam to prioritize religious ideology over the lived experiences of ordinary Muslims While affirming the significance of such ideology Dr Judy Wanjiru Wang'ombe suggests that it is equally important to understand how Islamic teachings are actually lived out within Muslim communities Utilizing a cognitive anthropological framework and drawing from qualitative field data this study examines the phenomenon of spirit possession as experienced by Borana Muslims in Marsabit County Kenya Dr Wang'ombe analyzes the practices and beliefs of the Ayyaana possession cult in light of stipulations provided by official Islamic texts specifically the Qur'an and Hadith as taught by their Muslim teachers and explores the prominent gaps that often exist between tenet and practice An excellent resource for scholars and practitioners alike this study enhances anthropological understanding of contextual Islam as practiced in East Africa while offering insight into local perspectives on the spirit world

The Future of Religion Rodney Stark, William Sims Bainbridge, 2023-04-28 Religion is alive and well in the modern world and the social scientific study of religion is undergoing a renaissance For much of this century respected social theorists predicted the death of religion as inevitable consequence of science education and modern economics But they were wrong Stark and Bainbridge set out to explain the survival of religion Using information derived from numerous surveys censuses historical case studies and ethnographic field expeditions they chart the full sweep of contemporary religion from the traditional denominations to the most fervent cults This wealth of information is located within a coherent theoretical framework that examines religion as a social response to human needs both the general needs shared by all and the desires specific to those who are denied the economic rewards or prestige enjoyed by the privileged By explaining the forms taken by religions today Stark and Bainbridge allow us to understand its persistence in a secular age

and its prospects for the future This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 Religion is alive and well in the modern world and the social scientific study of religion is undergoing a renaissance For much of this century respected social theorists predicted the death of religion as inevitable consequence of science education

## The Enigmatic Realm of **Examining The Cults**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Examining The Cults** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of people who partake in its reading experience.

### **Examining The Cults Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Examining The Cults has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Examining The Cults has opened up a world of possibilities. Downloading Examining The Cults provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Examining The Cults has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Examining The Cults. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Examining The Cults. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Examining The Cults, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Examining The Cults has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Examining The Cults Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Examining The Cults is one of the best book in our library for free trial. We provide copy of Examining The Cults in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Examining The Cults. Where to download Examining The Cults online for free? Are you looking for Examining The Cults PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Examining The Cults. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Examining The Cults are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Examining The Cults. So

depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Examining The Cults To get started finding Examining The Cults, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Examining The Cults So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Examining The Cults. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Examining The Cults, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Examining The Cults is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Examining The Cults is universally compatible with any devices to read.
