DR PHILIP DERON is a twenty first century scientist with a very unique personality and outlook on life who volunteers as the subject of an experiment in suspended animation He awakens three and half centuries in the future where he is confronted with two societies at opposite ends of the sociological economic and political spectrum Terra and FWF They both evolved from the ashes of a Last War which brought mankind to the brink of extinction and marked the transition of the Old Era into a New Era of technological wonders that can mediate benevolent as well as ominous social tools habits and institutions In Terra Philip is confronted not only with this technological progress but also with new customs new values and a totally new outlook on life And for the first time in his life he falls in love And not with just one but with two enchanting Terran women Nina Faur a psychologist and Judy Bjork a geneticist both of whom reciprocate his feelings in a to his Old Era mentality most unorthodox manner And just as he finally begins to cope with this by the standards of his own times most unusual and intriguing situation he unwittingly becomes involved with a woman most exceptional even by Terran standards Anita Brandt a paranormal possessing extraordinary attributes and talents Anita introduces Philip to Parapsychic Transcendentalism a school of thought which strives to realize man's spiritual potential by developing his latent psychic abilities which enable mental mergers and empirically strive to establish the existence of a Cosmic Consciousness intrinsic in the writings of some Old Era philosophers and thinkers Further stimulated by the inquiring minds of Anita Nina and Judy Philip launches into an investigation of other Terran transcendentalist movements They reveal to him an entirely new world of philosophical ideas and scientific achievements that attempt to provide answers to questions that have preoccupied thinkers since the dawn of civilization Having been brought up however in the Old Era Philip realizes how vulnerable the ultra pacifistic Terran civilization is to the aggressive tendencies of FWF the only other country with which it shares the planet Earth since the Last War that has annihilated most of mankind As opposed to Terra in which the computer assisted techniques of coordinated group decision making have eliminated the need for any form of government FWF is ruled by an oligarchy that has mentally enslaved most of its population by taking advantage of the same technology that in Terra is used to liberate the human mind and stimulate the human spirit Lulled into social inertia by mind numbing Tri Di shows and the

psychologically addictive pleasures of Joy Caps which induce states of ecstasy by the direct stimulation of brain centers as reward for efficiency at work the FWF masses are the obedient subjects of their political and economic masters Outraged by some of the manifestations of the subliminally induced mental and spiritual lethargy of these masses Philip embarks on a risky and prolonged struggle to change the mentality and the social conditions prevalent in FWF Ultimately his confrontation with the FWF establishment endangers his life as well as that of Nina and Anita the two courageous and exceptional Terran women with whom he had developed a most unusual and unique relationship ON A MORE FUNDAMENTAL LEVEL Dawn of the New Man is a novel about the aspirations of mankind and about spiritual and social growth the spiritual growth of its protagonist Dr Philip Deronan intelligent and highly educated scion of a super rich family but largely a product of the contemporary Western social milieu into a sensitive and empathetic member of the ethically and socially advanced Terran society in which humanistic values are not just preached but also routinely practiced The Codified Mysteries Vashisht Vaid, 2012-08-19 This book The codified Mysteries may provide the reader the required conscious awareness related to normal looking literary text of ancient stories and the symbolic knowledge imbedded in the ancient buildings which is technically the secret knowledge of universe Brahmanda which was imbedded into these various symbolic structures erected upon planet earth as our planet earth is the most important planet in our solar system which is technically the center of our entire evolving universe Brahmanda thus existing subjectively and objectively in the Cosmic Vital Physical plane if looking at it from the spiritual aspect and not only from the normal physical aspect like most humans do **Dracomantium V. 1** Draconis Blackthorne, 2013-11-25 The 1st in the Dracomantium Collection featuring 3 codices in 1 tome 6 Dracomeroth Codex Satani Written as a result of study and experimentation in The Occult combining various traditions and Satanizing them truly giving The Devil His due The rites written therein are a result of both meditation the application of Greater Lesser Magical principles which have proven by results to work Includes The Black Book of Shadows 6 The Devil's Scroll Codex Diaboli A collection of misanthropic Satanically philosophical essays providing insights into human motivations social commentary as well as counter culture thought 6 Satanic Serenades Codex Noctum Infernal Reflections upon both vital existence and mythology written in a beautiful sometimes terrifying polemical imaginative Gothic style inspiring contemplation darkest entertainment for those who resonate to The Satanic perspective and appreciate the sinister aesthetic Includes previous covers **Comparing Religions** Jeffrey J. Kripal, Ata Anzali, Andrea R. Jain, Erin Prophet, Stefan Sanchez, 2024-03-15 Teaches students the art and practice of comparison in the globalizing world fully updated to reflect recent scholarship and major developments in the field Comparing Religions The Study of Us that Changes Us is a wholly original absorbing and provocative reimagining of the comparative study of religion in the 21st century The first textbook of its kind to foreground the extraordinary or paranormal aspects of religious experience this innovative volume reviews the fundamental tenets of the world's religions discusses the benefits and problems of comparative inquiry explores how the

practice can impact a person's worldview and values and much more. Asserting that religions have always engaged in comparing one another, the authors provide insights into the history, trends, debates, and questions of explicit comparativism in the modern world. Easily accessible chapters examine the challenges of studying religion using a comparative approach rather than focusing on religious identity, inspiring students to think seriously about religious pluralism as they engage in comparative practice. Throughout the text, a wealth of diverse case studies and vivid illustrations are complemented by chapter outlines, summaries, toolkits, discussion questions, and other learning features. Substantially updated with new and revised material, the second edition of *Comparing Religions* Draws from both comparative work and critical theory to present a well-balanced introduction to contemporary practice. Explains classic comparative themes, provides a historical outline of comparative practices, and offers key strategies for understanding, analyzing, and re-reading religion. Draws on a wide range of religious traditions to illustrate the complexity and efficacy of comparative practice. Embraces the transcendent nature of the religious experience in all its forms, including in popular culture, film, and television. Contains a classroom-proven three-part structure with easy-to-digest, thematically organized chapters. Features a companion website with information on individual religious traditions, additional images, a glossary, discussion questions, and links to supplementary material.

Comparing Religions: The Study of Us that Changes Us, Second Edition is the perfect textbook for undergraduate students and faculty in comparative religion, the study of religion, and world religions, as well as a valuable resource for general readers interested in understanding this rewarding area.

Beautiful People C. L. Honn, 2022-11-03 *Beautiful People* is the story of the *Beautiful People* Magazine and Talent Agency focusing on the exciting careers of Kristal Evans and Trent Scofield after they are featured on the cover of the first issue of *Beautiful People* Magazine and strive to achieve success in the world of entertainment.
